FILIGI - charity number 1169000

Accounts for period

We can confirm the return on the accounts for the period 1 Jan 2025 – 31 December 2025 of £1196.

Activities and future plans for the year ended 2025

During the year, Filigi supported one young person, Will, to develop his boxing project. He wrote the bid for a small council grant after being encouraged by a councillor to do so. Alongside other funding and support this helped progress the boxing project leading to an appearance on BBC Radio, an article being written about his and a nomination for an award.

At the year end, the charity held £1,196 in its bank account, comprising the council grant of £696 for boxing and a donation of £500 from CCAN. Of this balance the £696 was spent after the year end.

The trustees plan to develop the charity's work over the coming year, working alongside young people to establish a youth group. Young people will be supported to identify the projects and activities they want to pursue and can help organise and manage, building their confidence, skills and responsibility.

Bids will be applied for as appropriate
