# OUR CHURCH HINTON BUILDING TRUST
## Trustees Report for year ending 31 December 2025

**Trustees Report –** year ending 31.12. 2025

Another year of successful fund raising and wonderful continued support by some 48 'Friends'. A huge thank you to everyone who has arranged events and all those who have supported us.

The annual Blade Sharpening was again popular and raised £567.85. A novel event was the 'Crazy Croquet' day which raised £1,018. Hopefully to be repeated in August 2026. Huge thanks to Tony and Maxine Askew. Tony also frightened most of us with his talk about Artificial Intelligence – raising £1,280.

No requests were received for support from the PCC during the year. However we now have a copy of the Quinquennial Report of the Church Building. This indicates that we may well be asked for support in the near future.

2026 will see our tenth Anniversary which we will celebrate in grand style.
