Section D Achievements and performance

Summary of the main achievements of the charity during the year

2025 saw us deliver our largest Retreat to date at Barnstondale Activity Centre and our first multiple day Retreat too. We hosted 15 families for 2 nights and facilitated time for lots of fun, building connections and time for parents to share advice and feelings while being surrounded by people who have experienced, or will be experiencing the same things. The choice of venue also allowed our families to fully relax knowing their children were safe to just be themselves, in an extremely secure environment.

We also continued to raise awareness and information share via our social media outlets but also via our new website which has gone live.

We also continued to further our network providing our school workshops in new schools throughout the UK, as well as returning to previously visited schools to re-deliver the session to their new intake of students.
