## Section D Achievements and performance

**Summary of the main achievements of the charity during the year**

Over the ninth year of running as a charity, we have now distributed over 830,000 awareness cards around England and Wales. This has been achieved via two outlets; requests from our website and sample card packages we have been sending out via a medical supplies company in their customer orders.

We created a plan back in 2023 to get more of our awareness cards out to businesses and individuals through 2024 and beyond. This was achieved by creating a sample card pack which is 6 cards wrapped in a small paper flyer held together with a paperclip. This sample pack is distributed via a medical supplies company who put a pack into each customer order. We continue to send out thousands of these packs through 2025 and have seen an uptake in the requests for packs/posters via our website.

The sample pack is fully recyclable so we are keeping up our environmental governance and we have achieved this in the cheapest way possible to ensure good use of charitable funds.

We had 35 requests through 2025 for our awareness packs which was another increase on the requests in 2024.

## Section E Financial review

- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Donations are the main source of income for the charity.

This money allows us to produce our awareness cards, pay for stationary, packaging and postage, which in turn allows us to raise awareness.
