GENERAL OVERVIEW OF FINANCIAL YEAR 2025 AND ACTIVITIES

Taking a holistic view of the year in question, our genaral expenditure was carefully structured in accordance with our monthly income.

Taking into consideration the high price index of goods.

But we were able to well manage a sound financial discipline without afecting much 0f our daily activities as planned.

BEREAVEMENT: The mother of our dear sister Grace Marfo passed away. As usual we played our part according to our resources.

PURCHASES: We were able to purchase a new laptop to help with admin and childrens tutorials. We pray to add additonal one in the near future.

CHARITY: various donations were made to some charities as usual, expecially the Prisons Fellowship at Worrmwood scrubs.

Presents packed and sent to the children of the Wormwood Scrubs Prisons and some visits at at the hospitals.

Boxes of old clothes were also sent to Ghana to support the needy through Mr Akwasi Asante.

EVANGELISM: Was quite good but we are still praying for more volunteers, even though Pastor Anthony Appau [ALL SOULS CHURCH} helps Pastor Anthony osei(BETHEL GRACEPRAYER MINISTRY} from time to time are doing their best. We will continue to reach out to the people through hospitals and homes when the need arises, proclaiming the gospel and winning souls through transformation.

We also as usual celeberate The Week of Prayer and the Prisons Week with the Prison Fellowship at the Wormwoodscrubs, which Pastor Anthony Osei is a member, during which we participate in the Christmas Season activities.

FINANCES: The response is still not as expected, but God in His grace has planted a couple of members who costantly contribute every month. However an urgent loan of £600 was iissued to Pastor Appau, which he has began paying back, reflecting in our accounts.

It was also suggested Pastor Anthony Osei be supported in his SunLIifeover 50 plan as he turns 70 and is financially strained.

It is our prayer that the good Lord also continue to bless them according to His heavenly riches and glory.

On the whole it is good but hoping to improve.
