CHAIRMANS REPORT

We have had a very successful year with over 5000 visitors to the Court House Museum. This includes visitors from round the world America to Russia, Japan to Europe! There was also a school group (the first for a long time) from Pevensey and Westham School who were studying the Tudors.

There was a display on the Pevensey pageant in the Court House and for the coming year there will be displays to mark the arrival of the Bayeaux tapestry and the forthcoming year of the Normans and Pevensey Court house Museum has become one of the partner organisations with the British Museum for this event.

The car park has been well used and there are replacements for the two weathered tourist information boards plus a new board outlining the history of the Cattle Market.

Once again I must thank all the Trustees and Volunteers for all the work they have put in from manning the museum, planting the planters, running the car park and even providing a prisoner to be drowned in the river for the history festival !
