Section C Notes to the accounts

Note 1 **Basis of preparation**

This section should be completed by all charities .

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

• and with*	✓	the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014
• and with*	✓	the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102)

• and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.*	✓

* -Tick as appropriate

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;	***Not Applicable***
Disclosure of any uncertainties that make the going concern assumption doubtful;	***Not Applicable***
Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.	***Not Applicable***

1.3 Change of accounting policy

The accounts present a true and fair view and the accounting policies adopted are those outlined in note 1.1.

Yes*	✓	* -Tick as appropriate
No*		

Please disclose:

(i) the nature of the change in accounting policy;	
(ii) the reasons why applying the new accounting policy provides more reliable and more relevant information; and	
(iii) the amount of the adjustment for each line affected in the current period, each prior period presented and the aggregate amount of the adjustment relating to periods before those presented, 3.44 FRS 102 SORP.	

1.4 Changes to accounting estimates

No changes to accounting estimates have occurred in the reporting period (3.46 FRS 102 SORP).

Yes*	✓	* -Tick as appropriate
No*		

Please disclose:

(i) the nature of any changes;	
(ii) the effect of the change on income and expense or assets and liabilities for the current period; and	
(iii) where practicable, the effect of the change in one or more future periods.	

1.5 Material prior year errors

No material prior year errors have been identified in the reporting period (3.47 FRS 102 SORP).

Yes*		* -Tick as appropriate
No*	✓	

Please disclose:

(i) the nature of the prior period error;	SOFA Financial Statement in 2024 showed funds of £1953 less than the 2024 Balance Sheet. It was the Balance Sheet which was correct and the error was not noticed on the SOFA. The bt/fwd figure was wrong.
(ii) for each prior period presented in the accounts, the amount of the correction for each account line item affected; and	The £1953 error carries from 2023 when the SOFA and B/Sheet balances agreed but were £1954 (rounded) out of step with the charity's accounts. This may have been due to a Training Fee having been double counted in the SOFA. I apologise for not noticing the difference.
(iii) the amount of the correction at the beginning of the earliest prior period presented in the accounts.	***The error has been corrected by adding £1953 to the funds brought forward in the SOFA this year. The prior year column has been altered to reflect the true figures. All is now exactly correct with the charity's accounts.***

2.2 INCOME

This standard list of accounting policies has been applied by the charity except for those ticked "No" or "N/a". Where a different or additional policy has been adopted then this is detailed in the box below.

		Yes	No	N/a
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • it is more likely than not that the trustees will receive the resources; and • the monetary value can be measured with sufficient reliability.	✓		
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.	✓		
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.			✓
	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓		
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	✓		
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.			✓
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.			✓
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	✓		
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

		Yes	No	N/a
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓		
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	✓		
Redundancy cost	The charity made no redundancy payments during the reporting period.	✓		
Deferred income	No material item of deferred income has been included in the accounts.	✓		
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	✓		
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	✓		
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.			✓

2.4 ASSETS

Tangible fixed assets for use by charity	No value change is currently made to fixed assets. Property not recently revalued.			
	They are valued at cost.	✓		
	The depreciation rates and methods used disclosed in note 9.2. None at present.			
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5			✓
	They are valued at cost.			✓

	They are valued at cost.			✓
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.			✓
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments			✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	✓		
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	✓		
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.			✓
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	✓		
Current asset investments	The charity has has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.			✓

Note 29 Additional Disclosures

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

The prior year error of the funds shown in the SOFA noted in Note 1 of £1953 where the return figures were out of step with the true charity's accounts is not particularly material relative to the charity's funds, especially as the property has not been recently revalued. It may represent perhaps less than half a percent of the true value. It arose because the P&L used internally does not show the funds after a surplus or deficit figure and the Balance Sheet difference was not noticed as it was exact to the internal accounts. Hopefully, now that this has been corrected, the problem will not arise again. We will be more vigilant in future.

INDEPENDENT EXAMINER'S REPORT

Report to the Trustees of Oasis Christian Trust

Charity Number 1171906

On the accounts for the year ended 31st December 2025

Respective Responsibilities of trustees and examiner: The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (The Charities Act) and that an independent examination is needed.
It is my responsibility to:

* examine the accounts under section 145 of the Charities Act
* to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
* to state whether particular matters have come to my attention.

Basis of independent examiner's statement: My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement: In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

* to keep accounting records in accordance with section 130 of the Charities Act; and
* to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
