Trustees' Annual Report

Year ended 4 November 2025

The trustees present their report and the unaudited financial statements of the charity for the year ended 4 November 2025.

Chair's report

Trustee's Report for the Year Ended November 2025
Pillar of Fire Intercession Group of Prayers
The Trustees of Pillar of Fire Intercession Group of Prayers are pleased to present their report for the financial year ended November 2025. The following outlines the significant activities carried out during the year, focusing on our mission of spreading the Gospel and serving our community through various initiatives.

Reference and administrative details

Registered charity name	Pillar of Fire Intercession Group of Prayers
Charity registration number	1171920

Achievements and performance

1. Prayer Services
We continued to hold prayer services throughout the year and had more participants regularly attend the prayer meetings. We also had guest speakers come to join the services and lead the people in attendance to prayer. We had beautiful testimonies throughout the year of answered prayers from God. We also explored providing an online option for those unable to attend in person and have faced challenges but are working through it.

2. Women's Ministry Prayer Outings .
The Women's Ministry has continued strongly with regular prayer gatherings both indoor and outdoor, ministering to women and families in the Coventry community. Women have shared testimonies of being uplifted in prayer, leading to personal growth and empowerment and have had testimonies of answered prayers.

3. Church Evangelism and Mission Conference in Togo.
The church continued to participate in the international mission, sending a delegate to Togo to continue the evangelism work and foster the partnership with Eglise Pentecotiste De Zangera Temple Si Precieux Lome in Togo. The ongoing partnership with the Togo-based church continues to help extend our ministry's reach beyond the UK.

Achievements and performance *(continued)*

4. Coventry Town Prayer and Evangelism
Locally, in Coventry, UK, our church continued its weekly prayer and evangelism initiative. Every Saturday, teams of volunteers would gather in the town to pray for the community and engage with the public. Through these efforts, the church has been able to connect with people who might not have otherwise entered a church building. We handed out Christian literature, prayed with individuals, and engaged in conversations about faith. This initiative continues to expand our outreach and increase our visibility in the local community. Two days in the month were also organised to meet the homeless people in the town of Coventry and to support them with food and clothing and prayers.

5. Monthly Youth and Women's Conferences Our commitment to discipleship and community development has continued through our monthly conferences. Youth Conference: Held on the first Saturday of every month, these sessions focused on encouraging spiritual growth, leadership skills, and providing a space for young people to connect with God and each other. Attendance has been consistent, and the youth have actively engaged in discussions on faith, identity, and purpose. Women's Conference: Held on the second Friday of each month, the Women's Ministry held gatherings aimed at equipping women in their spiritual journeys and everyday lives. These conferences continue to feature guest speakers, worship, and prayer sessions. They have been pivotal in nurturing spiritual growth, fostering sisterhood, and providing practical support for women in the congregation.

Plans for future periods

Plans for Future Growth and Improvement
The trustees recognise that while significant progress has been made in the past year, there is always room for improvement. In the coming years, we aim to build on the success of our current activities with the following improvements:

1. Expanded Ministry Initiatives: There are plans to ordain two faithful men who are undergoing training to become ministers in order to continue to aid the work of the gospel. The Women's Ministry plans are also underway to introduce a mentoring program to support younger women in their spiritual and personal growth.

2. Increased Local Engagement in Coventry: We plan to continue holding seasonal events, such as summer fairs or Christmas outreaches, that include both prayer and practical support for the community. Together with local churches, we also hope to strengthen our evangelism efforts in Coventry.

3. Youth and Women's Conference Enhancements: We have plans underway to invite more dynamic guest speakers, include workshops on practical topics such as financial management and mental health, and provide opportunities for attendees to engage in more hands-on activities during the conferences. Additionally, we plan to introduce follow-up sessions for conference attendees to ensure continuous spiritual growth. The trustees believe that these activities will not only continue to bless the community but will also lead to greater spiritual growth and impact in the coming year. We are committed to fulfilling the charity's mission and are grateful for the support of all who contribute to these efforts.

The trustees' annual report was approved on 21 September 2026 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of Pillar of Fire Intercession Group of Prayers

Year ended 4 November 2025

I report to the trustees on my examination of the financial statements of Pillar of Fire Intercession Group of Prayers ('the charity') for the year ended 4 November 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or

2. the financial statements do not accord with those records; or

3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Cash and cash equivalents at end of year	624	975

The notes on pages 7 to 11 form part of these financial statements.

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 79 Parry Road, Coventry, CV2 3LW.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Donations and legacies

	Unrestricted Funds £	**Total Funds 2025 £**	Unrestricted Funds £	Total Funds 2024 £
