INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: • the charity becomes entitled to the resources; • the trustees are virtually certain they will receive the resources; and • the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the time of reclaim receipt.
Contractual income and performance related grants	The charity did not receive any contract income or performance related income or grants.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Stocks and work in progress	These are valued at the lower of cost or market value. Donated food stock is not valued on the balance sheet as the stock is held for free distribution.

Big Love Charity Trustees' Report for the year ended 31st January 2026

REVIEW OF ACTIVITIES AND GROWTH

The trustees are encouraged to report continued growth and development across both UK and Romania projects during the year.

Big Love has continued to strengthen its work through long-term partnerships, sustainable community support, and relational programmes that support children, families, and vulnerable adults both in the UK and overseas.

The trustees remain encouraged not only by the growth of projects, but by the increasing number of people, schools, churches, businesses, and volunteers choosing to step into the vision and serve others with compassion, dignity, and consistency.

UK PROGRAMMES

During the year, several existing programmes expanded significantly across schools, recovery settings, and community initiatives.

* The Kids Hope Course continued to grow and is now being delivered across six schools, supporting children with self-esteem, emotional wellbeing, healthy relationships, boundaries, and preparation for the transition into secondary education.
* The Adult Hope Course expanded into Phoenix Futures alongside ongoing delivery within addiction recovery settings. The programme now supports women

walking through addiction recovery, trauma, and mental health challenges through relational weekly sessions focused on identity, value, wellbeing, and encouragement.

* Big Love Music was introduced at Mildmay School, using music, creativity, and emotional expression to support younger children in Key Stage 1.
* Football mentoring interventions continued to expand, now supporting pupils from Years 7–10 through weekly mentoring, sport, and relationship-based support within local schools.
* Football and wellbeing sessions at Thriftwood College continued to support young people with additional needs through sport, teamwork, encouragement, and confidence-building activities.
* Volunteer involvement continued to grow across Hope Courses, football mentoring, music projects, schools work, fundraising, and overseas mission support.
* In response to increasing programme delivery and organisational growth, Emma Alleway was appointed for two days a week, strengthening leadership, safeguarding, organisation, volunteer coordination, and programme development across Big Love's UK projects.
* We have just remastered the adults hope course and the new fashion looks brilliant. This is already been rolled out in Phoenix features.
* The music course is booked up for the whole of the next academic year. We are looking at potentially expanding it with a second facilitator.

ROMANIA PROJECTS AND MISSION ENGAGEMENT

Big Love's work in Romania has continued to grow through strong partnerships, sustainable projects, and ongoing investment into vulnerable communities.

Highlights this year include:

* Over 100 people attending short-term mission trips to Romania, serving within children's centres, schools, football projects, villages, farms, and local churches.
* Funding secured to build a new family home and dig a new water well in Luica, one of the poorest villages in southern Romania, helping provide both shelter and access to clean water for vulnerable families.
* Continued investment into Solomon's Farm, which helps resource children's centres through sustainable dairy production, employment opportunities, and long-term community support.

* Ongoing support for children's centres that continue to provide meals, education, mentoring, and safe spaces for hundreds of children each week.
* Multiple additional trips and overseas projects are already planned throughout the remainder of 2026 as relationships and partnerships continue to grow.

SUSTAINABLE FARM DEVELOPMENT

The trustees continue to be encouraged by the ongoing development of Big Love Farm in Romania, which remains a key part of Big Love's long-term vision for sustainable community support.

The farm continues to provide employment opportunities, agricultural training, and sustainable dairy production that directly supports vulnerable children and families through Big Love-supported centres.

Income and produce generated through the farm help resource meals, education, staffing, and ongoing community support within children's centres and community projects serving vulnerable communities across the county of Calarasi.

During the year:

* The dairy operation continued to strengthen and expand
* Local employment opportunities were sustained through the farm
* Young people were given opportunities to learn practical agricultural and land-based skills
* The farm continued supporting the daily provision of food and dairy produce to children attending supported centres

The trustees are encouraged that the wider work connected to the farm now contributes towards supporting approximately 800 children each week through food provision, educational support, mentoring programmes, and sustainable community initiatives.

The trustees remain encouraged by the long-term sustainability model the farm provides and its growing role in helping create ongoing support, dignity, opportunity, and community resilience within local areas.

STRATEGIC PARTNERSHIPS AND DEVELOPMENT

Big Love continues to place strong emphasis on collaborative partnerships that bring together skills, experience, and relational support to strengthen long-term impact.

This year, Big Love further developed its partnership with Belsteads School and Belsteads Care Home, with teachers, carers, and skilled staff joining overseas trips to Romania. These partnerships are helping create more informed and sustainable approaches to supporting children and young people walking through trauma, vulnerability, and social disadvantage. A team of specialists from Belsteads are producing material that will be translated into Romanian and taught across children centres supporting centre leaders and volunteers.

The involvement of experienced education and care professionals has strengthened programme delivery, relationship-building, safeguarding awareness, and future planning for both UK and overseas initiatives.

All overseas work continues to be carried out in conjunction with Outstretched Hands of Romania, whose leadership, local knowledge, and long-standing commitment to vulnerable communities remain central to the effectiveness and sustainability of Big Love's work overseas.

The trustees are also pleased to report strengthened partnerships with businesses and supporters throughout the year.

* Meet Dwight committed ongoing financial support of £800 per month towards the delivery of the Hope Course, helping strengthen sustainability and long-term planning for the programme.
* New business partnerships and supporters have enabled further programme development, overseas support, volunteer mobilisation, and community engagement opportunities.

COMMUNITY SUPPORT AND ENGAGEMENT

The trustees continue to be encouraged by the growing community surrounding Big Love and the increasing number of people choosing to support the vision through practical involvement, volunteering, financial giving, and prayer.

Big Love is now supported by over 40 regular monthly financial supporters whose generosity helps sustain both UK and overseas projects throughout the year. This ongoing support provides greater stability for programme delivery, long-term planning, and future development.

Alongside financial supporters, Big Love has also seen the growth of a dedicated prayer team who regularly support the work through encouragement, prayer, pastoral support, and ongoing connection with projects and teams both in the UK and overseas.

The trustees recognise that the continued growth of Big Love is only possible through the collective contribution of volunteers, supporters, churches, businesses, schools, and community partners who continue to invest their time, skills, resources, and encouragement into the charity's work.

VOLUNTEERS

Volunteers continue to remain central to the work of Big Love. Individuals, schools, businesses, churches, and skilled workers have contributed time, encouragement, practical support, and professional expertise across all areas of delivery.

This includes:

* Teachers supporting schools work and curriculum development
* Coaches and mentors supporting football interventions
* Volunteers supporting Hope Courses and wellbeing programmes
* Skilled workers serving on building and overseas projects
* Young adults, families, and business leaders participating in mission trips and community initiatives

The trustees remain deeply grateful for the compassion, generosity, and commitment shown by volunteers throughout the year.

LOOKING AHEAD

The trustees are encouraged by the continued growth of Big Love and the increasing opportunities to support vulnerable children, families, and communities both in the UK and overseas.

Future priorities include:

* Expanding the Kids Hope Course into additional schools
* Growing the Adult Hope Course into new recovery and wellbeing settings
* Developing further business and community partnerships
* Continuing sustainable investment into overseas projects
* Strengthening volunteer training, safeguarding, and programme delivery
* Supporting further trips and relational partnerships across Romania

The trustees believe Big Love remains well positioned to continue delivering practical support, relational care, sustainable community impact, and meaningful long-term partnerships in the years ahead.
