Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the Christian religion, for the benefit of the public through the ministry of various art form, the holding of events, prayer meetings, lectures, public celebration of religious festivals to enlighten others of the Christian faith.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Once again this has been a very busy year with all regions developing further. The highlight of this year has been facilitating our own 'International Worship and the arts conference' with members travelling from all areas of this country and overseas to join us at a residential conference centre. An opportunity to showcase our own grown facilitators as well as other established ones around this country and overseas. This conference was able to cater for all levels of capability in the creative arts and for those who just wanted to relax in the environment. Participants of all ages were able to utilise what was available. For many this was their first experience of being in such surroundings. Regular in person rehearsals continue in all regions and this year there has been a significant improvement in managing the young people. Although based in various parts of the country, rehearsing locally and having Zoom sessions with those in remote areas has resulted in them being able to minister at planned NLDNUK events as well. School holidays have been utilised to host wellbeing sessions as well as rehearsals, resulting in more of the public joining. The annual free Liturgical worship dance events continue all over the country. The

		Power of the Cross was held in Derby and The Reason for the Season in Nottingham. We have seen a significant increase in local communities, the public participating at these events such as community choirs, musicians, artists and those with a passion in drama. This has been encouraging as we see relationships develop in so many different communities. Th network continues to collaborate with other organisations and charities such as CDF as we led workshops together to showcase different skills and develop relationships from various communities. Also supporting another organisation 'Women on the Frontline' and demonstrating how Liturgical dance and other creative arts can be integral part of worship. Members continue to work closely with a Homeless project which has provided many opportunities to minister and encourage to use flags as and when needed and to pray with them. What started as a simple idea to help feed them has grown where the public has shared the benefits of being in such environments. The Christmas session is a very busy time for members to work closely with Day centres, providing the opportunity to minister in dance, always encouraging participation which is always well received.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Trustees have continued to appreciate and utilise guidance issued by the Charity Commission on public benefit. This has assisted in ensuring we are fulfilling our aims and objectives

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Despite the many challenges we have experienced over the years, we are pleased to report that we remain consistent in supporting, connecting members across the country, from many different denominations, internationally to strengthen believers. We are also able to enlighten others, using creative arts of the Christian faith. NLDNUK P.U.S.H Training programme (Praise until Something Happens) continues to be extremely popular with members and has 3 levels. Members are encouraged to participate as we feel it equips them with the skills to work with the public and provide the foundation in sharing the Christian religion. We have experienced many members of the public joining the network in order to participate in this programme. As far as we are aware, there are no other programmes like this in this country. This year we have been able to utilise many renowned Liturgical dancers from America to facilitate some of our classes online. This has provided a deeper knowledge on certain aspects of the creative arts. As part of this programme, we encourage members to think of themselves as leaders and the difference they can make in their communities. This has resulted in them developing a local rehearsal group, or choregraphing a dance to be taught to members to share with their local community. Graduation of 2025 participants took place at our own conference at Kings Park Conference centre on Sunday 2nd August

		with NLDN Founder as well as NLDN Global Director present at this event. One area we are most proud about is that since the conception of this programme, we now have graduates from this programme leading the current PUSH programmes

2.2 INCOME

Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	✓		
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	✓		
	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).			✓
Legacies	Legacies are included in the SOFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.			✓
Government grants	The charity has received government grants in the reporting period		✓	
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.			✓
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.			✓
Donated goods	Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.			✓
	The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.			✓
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.			✓

	Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.			✓
Donated services and facilities	Donated services and facilities are included in the SOFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.			✓
	Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SOFA.			✓
Support costs	The charity has incurred expenditure on support costs.	✓		
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.	✓

	Membership subscriptions which gives a member the right to buy services or other			

		Yes	No	N/a
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	✓

Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.			✓

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	✓		
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	✓		
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.			✓
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.			✓
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.			✓
Redundancy cost	The charity made no redundancy payments during the reporting period.			✓

Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.			✓

National Liturgical Dancers Network UK

Independent examiner's report to the trustees

I report to the trustees on my examination of the accounts of the National Liturgical Dancers Network UK for the year ended 31st December 2025.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or

2. the accounts do not accord with those records; or

3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
