Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The Objects of Manifestations of Judah Ministries International (MOJMI) is to advance the Christian Faith for the public benefit in the UK and worldwide in accordance with the statement of Faith, mainly but not exclusively by means of providing a place of worship, religious education, advice and counselling.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities Manifestations of Judah Ministries International carried out:

- Services –
  - Preaching
  - Bible Studies
  - Prayer meetings
  - Praise and worship
  - Counselling
- We did not return to doing TV Broadcast Livestreaming but have been looking at what we need to do to progress this and have firm plans for next year.
- Livestreaming on Social Media platforms
- Evangelistic outreaches – speaking to people face to face in the street about the Christian faith
- Praying for people in the street according to the Christian faith
- Counselling and advising people in the street
- We handed out Christian Literature in the street this year.
- We delivered Christian literature door to door this year.

The MOJMI downsized during the Covid 19 pandemic and has not yet entirely returned to the same level of ministry activities we have been doing before. However, we see the mighty hand of God in all we do and with His grace we continue to bear witness to His supernatural powers.

Going forward we intend to, increase our online and face-to-face ministering.

To which end in 2025 we restarted our weekly congregation in a physical Church setting again.

We will continue to strive to bring the word of God to as many people as we can, in many diverse ways.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

The Management of the charity, Manifestations of Judah Ministries International and the furtherance of its purposes are in line with the statutory declaration issued by the Charity Commission.

We were hiring a community hall to invite people to worship together in our Church, but during the Covid 19 pandemic Government restrictions on groups of people gathering together in general and reduced numbers of people attending at our hall, led us to put this on hold. We did not have physical in-person Church meetings in 2024, but in 2025 we were able to hire the community hall again as a physical location to restart our Church there.

Next year we intend a leafletting and online advertising campaign to increase numbers attending.

To cut costs during the pandemic, in 2021 we stopped investing in a TV broadcast (on Faith World TV Sky Channel 589), returning to this remains an ambition for the future.

Instead, we have concentrated on our livestreaming through Social Media, such as YouTube and Facebook, to advance the Christian faith and further the charitable purposes by informing, educating and counselling the general public.

As a ministry we continue to seek out ways to minister to the general public locally, nationally and internationally.

In 2025, again MOJMI witnessed the power of God through the Name of Jesus, in our evangelistic outreaches to people.
