Appointment of Trustees: Trustees are appointed and/or elected in accordance with the provisions of the Charity's constitution. The Trustees are responsible for the overall governance, strategic direction and oversight of the Charity.

Trustee Induction and Training: Newly appointed Trustees undergo an induction process designed to familiarise them with the Charity, its activities and their legal and regulatory responsibilities. The induction process includes meetings with the Chair and other Trustees and appropriate briefings concerning the powers, duties and responsibilities of charity trustees, the Charity's governing document, financial controls and the operational activities of the Charity.
Trustees are encouraged to keep themselves informed of relevant Charity Commission guidance and developments affecting the governance and management of the Charity.
Organisational Structure and Decision-Making.
The Charity is governed by the Board of Trustees, which meets regularly to oversee its affairs, review its activities and finances, and make decisions concerning the strategic direction of the Charity.
The day-to-day administration and pastoral activities of the Charity are managed by the Pastor in Charge, ***Pastor Elizabeth Adeniran***, on a voluntary basis, under the overall direction and oversight of the Trustees.

Objectives And Activities: Charitable Objects
The principal object of the Charity is the advancement of the Christian faith worldwide and the promotion of charitable activities for the benefit of the public in accordance with the Charity's governing document. In furtherance of these objects, the Charity undertakes activities including the provision of Christian worship, teaching, prayer meetings and seminars, organising conferences, programmes and other Christian events, community outreach and engagement activities;
providing welfare assistance and support to members of the community where appropriate, supporting charitable causes and Christian activities that are consistent with the Charity's objects; and undertaking missionary and evangelistic activities.

Public Benefit: In planning and carrying out the activities of the Charity, the Trustees have had regard to the Charity Commission's guidance on public benefit.
The Trustees seek to ensure that the Charity's activities further its charitable purposes and provide benefit to its members and the wider community. During the year, this was achieved through Christian worship and teaching, community outreach, conferences and events, welfare support and other charitable and missionary activities.

Achievements And Performance
During the year, the Charity continued to pursue its charitable objectives through its regular worship services, Christian teaching and other faith-based programmes, community outreach, conferences, welfare activities and missionary work.
The Trustees consider that these activities contributed to the advancement of the Christian faith and provided spiritual, social and practical support to beneficiaries and members of the wider community. The Trustees are grateful to the Charity's members, donors and volunteers for their continued commitment and support during the year.

Volunteers: The Charity relies substantially on the contribution of volunteers who provide their time and skills in a variety of capacities.
It is estimated that volunteers contributed approximately 1,872 hours during the year. The Trustees greatly appreciate the contribution made by all volunteers to the achievement of the Charity's objectives. For illustrative purposes only, if these volunteer hours were valued at £12.71 per hour, the estimated value of the time contributed would be approximately £23,793. This amount has not been recognised as income or expenditure in the Financial Statements.

Financial Review: Review of Financial Activities
The Charity's principal sources of income during the year were voluntary donations and associated Gift Aid receipts.
The Trustees record their appreciation to all donors and supporters who contributed to the work of the Charity during the year.
Total donations received during the period amounted to £23,975. The drop from 2025 figure of £27,847 was due to relocation of some active donors because of work requirements. The Trustees are satisfied that the Charity continued to apply its resources towards achieving its charitable objectives during the year and remain committed to ensuring the effective and responsible stewardship of the Charity's funds.

Grant-Making Policy: The Charity may make grants, donations or provide other forms of financial support where the Trustees consider that such support furthers the Charity's objects. Applications or requests for support are considered by the Trustees having regard to the Charity's available resources, the needs identified and the extent to which the proposed support is consistent with the Charity's charitable purposes.

Reserves Policy: The Trustees regularly review the level of reserves held by the Charity, taking into consideration its ongoing commitments, anticipated expenditure, operational requirements and the need to maintain sufficient funds to ensure continuity of its charitable activities. The Trustees consider

RCCG Rehoboth Centre, Reddish

the level of reserves held at the year-end to be appropriate in light of the Charity's current activities and financial commitments.

Investments: The Charity held no material investments during the year.

Going Concern: The Trustees are convinced that the Charity will continue to attract donations and deliver services for public benefit. Accordingly, the Financial Statements have been prepared on the going concern basis.

Plans For the Future: The Trustees intend to continue developing the Charity's existing activities in furtherance of its charitable objectives.
The Charity will continue to focus on Christian worship and teaching, community engagement, welfare support, outreach and missionary activities, while ensuring that its resources are managed prudently and applied for the public benefit.

Statement of trustees' responsibilities: The Trustees are responsible for preparing the Trustees' Annual Report and the Financial Statements in accordance with applicable law and United Kingdom Accounting Standards, including FRS 102.
Charity law requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources for that period. In preparing these Financial Statements, the Trustees are required to:

-select suitable accounting policies and apply them consistently;
-observe the methods and principles of the applicable Charities SORP;
-make judgements and accounting estimates that are reasonable and prudent;
-state whether applicable United Kingdom accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements; and
-prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue its activities.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the Financial Statements comply with the Charities Act 2011 and other applicable requirements.
The Trustees are also responsible for safeguarding the assets of the Charity and for taking reasonable steps for the prevention and detection of fraud, error and other irregularities.

The Financial Statements have been prepared on the accruals basis and have been subject to independent examination. The Independent Examiner's Report forms part of the Charity's annual reporting documentation.
