Statutory Declaration on Public Benefit

The Trustees declare that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers or duties.

Executive Summary

We use Email and social media to keep in regular contact with volunteers and organisations working on the ground in the countries we support. This gives us an insight into exactly what is needed and where. It also enables us to confirm to our donors that the aid we send reaches the correct destination.

A list of the "People We Support" can be found at the end of this document.
We hold regular meetings and work alongside several other charities and groups from England and Wales. This enables us to make informed decisions on when and where to provide aid and to make the best use of our limited resources.

Although some of the aid we supply is sent from the UK, it is often more economical for us to grant funds to charities and groups operating in the areas we support. This money is then used to purchase food and essential items locally, reducing transport costs and supporting their local economy. We obtain original receipts for such purchases whenever possible.

Activities, Achievements & Performance

This has been a very sad and difficult year for our charity. Our founder trustee and secretary, Heulwen Dickinson, passed away on 13 December, having fought cancer for over five years. Heulwen was always quick to help anyone in need and in 2016 she with 4 other trustees started RRYM to collect donations of warm clothes for distribution in the Refugee Camps.

Despite the suffering and frequent hospital visits, charity work remained her top priority to the end. In our last AGM on 11 November, it was agreed to ask Heulwen's daughter, Sophie Dickinson, to join the trustees and take up the rains as RRYM secretary.
We take this opportunity to welcome her onboard. We believe that with Sophie's help, the work started by her mother can grow and prosper.

We have continued our arrangement with The Free Shop who transport items of clothing to the refugee camps in Lebanon, and Cribs International who transport suitable clothing, toiletries and footwear to mothers and children in Athens, which allowed us to send aid to their depots in the UK. From there our boxes of aid were put on to pallets or loaded on to containers for shipping abroad.

Fundraising Activities

Barry and Heulwen continued to raise a modest amount for the charity through the sale of donated items and home-made produce. They were unable to set up any fundraising events this year, due to Heulwen's deteriorating health.

Meanwhile Carys continued to sell second-hand books and other small items at the Bay Café, with all proceeds being put towards our various charity projects. Betty also raised funds for RRYM by advertising and selling donations that were unsuitable for sending out to charitable organisations.

Shipping costs

Due to the cost and difficulty of exporting aid directly to the EU and beyond, we decided not to ship donated items direct to refugees in Europe this year, so no shipping costs were incurred by the charity.

Cash Donations and Collections

We showcase the work of our charity and request public donations on our website https://RRYM.UK and on our Facebook page refugeereliefynysmon.

This year we have received Donations of **£12,680 and o**ther income of £0.00

This includes £2,670 donated in Heulwen's memory.

Fundraising activity

Items which have been donated but which are not required by the displaced people we support are sold either at local events or on social media to raise funds.

Talks and Presentations

There were none given this year.

Purchasing Aid

Our main expenditure this year has been purchasing essential items and funding vital projects in Lebanon and Uganda.
These were managed on our behalf by trusted volunteers in these countries.
They included £8,300 to Global Helping Hands to support Special Needs at Dar Al Amal school and families living in the Arsal refugee camps in Lebanon.

For further explanation and details of the recipients, please refer to the "People We Support" section of this document.

The people we support

This document covers the period from 6 March 2025 to 5 March 2026.

Occasionally we are able to supply aid directly to displaced people, either in the UK or in refugee camps, who have been referred to us by a trusted volunteer or group.

However, as we are such a small charity with few volunteers most of the aid we collect is shipped to one of the following organisations, who we trust to purchase or distribute the aid on our behalf. We receive frequent reports and photographs of these distributions, which we display on our Facebook page and Website as evidence to our donors that the aid has reached its intended destination.

Lebanon Global Helping Hands

At the beginning of March, 2023, we agreed to work alongside a UK based charity, Global Helping Hands, in an attempt to improve the lot of Syrian refugees struggling to survive under the harshest of conditions in the mountains of Lebanon.

26/3/2025 £2,050.00: Last payment to the Special Needs school. This project will close, as many of the families prepare to return to Syria.
18/06/2025 £2,000.00: Provide Family support and survey future needs, as conditions in Lebanon deteriorate.

08/12/2025 £3,750: Drill a Well near Damascus to allow farmers to irrigate their land, grow vegetables, and provide food for their families.

16/02/2026 £500.00: Purchase Ramadan food parcels and water for refugee families living in dire conditions in the abandoned Syrian refugee camps on the outskirts of Arsal, Lebanon.

Shalom Medical Clinic

On 31/03/2025 we sent £1,000 to Shalom Medical Clinic, a licensed community clinic providing essential healthcare services to underserved communities in Northern Uganda. This money purchased essential medical equipment and medications.
In an area where access to basic medical care is limited and preventable diseases remain widespread. This outreach provides many with their only opportunity to see a qualified healthcare professional.

On 25/09/2025 we paid £677.50 to Greenwich University to cover tuition fees for Peter, the young man who we have been supporting with his clinic in Uganda. He has been accepted to complete haemotology modules courtesy of the university of Greenwich in the UK. He can study these online from Uganda and complete any work placements from a hospital in Kampala. He's been granted a 50% scholarship towards this module, leaving £670 which we paid.

Uganda Initiative for Refugees

16/04/2026 £555: We purchased various food items for a group of elderly and physically handicapped refugee men and women in Kyangwali Refugee Settlement Camp.
23/06/2025 £215: Support Library and tailoring project.

Hope Project

04/08/2025 RRYM donated £200 to the Hope Project on Lesbos who were in desperate need of funding for basic running costs. We have supported the Hope Project who are a registered charity run by Eric and Philippa Kempson since our inception in March 2016.

Tamer Idlib Family Support

Tamer's family lived on the Turkish boarder, until their small house was destroyed due to near-by bombing. As he was unable to work due to injuries, we agreed to pay rent on a small house in Idlib for two months, to give him time to recover and hopefully find work.

Adam Syria Family Support

In February we paid £1,000 to Adam's family. Adam is a young boy with a neurological problem, who needs medication and physical therapy.

His father borrowed $400 in the last two months to cover the costs of his son's treatment. He's had to stop physical therapy. He can't borrow any more. He is a teacher, but he cannot work now because of his child.
Treatment is very expensive in Turkey, so they moved to Syria.

He carries his son and walks long distances to save on transportation costs.

Gideon resettlement family support

On 20/09/2025 we sent £215 to Gideon. He had proved invaluable in helping our charity set up the library project in the Uganda camp. He was finally resettled in Sweden in October 2025, together with his four daughters aged between sixteen and five years. This money will purchase clothes and essentials as they start their new life.
