Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

As of the 31st December 2025, The TeddyRose Foundation was working with over 15 NHS hospital bereavement units in England. Since incorporation, we have donated a combination of the following to the bereavement units:

Cuddle Blankets, Care Packages, HITH Keyrings, Cuddle Cots, Reading books for siblings, Small Clothing etc.

Our donations help the bereavement units with the support that they can provide to families who have suffered a devastating baby loss.

We also make donations directly to members of the public who contact us and have sadly been impacted by baby loss.

We provide families with face-to-face emotional support via our support groups, which are held monthly.

We have a strong social media presence and have been in contact with many families through our social media platforms and website, which allows families to speak to our volunteers who have first-hand experience of baby loss.

In Dec-25, we held our 5th Sibling Support Day, where bereaved siblings were able to come together and enjoy a special day.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

NHS Hospital Bereavement Units
We know from the feedback from the specialist bereavement Midwives who work on the units and the heartfelt messages we get from families, that the donations and support we are providing to families are valuable and helping to make a difference.

Throughout CY25, we donated the following: *Cuddle Blankets, Care Packages, HITH Keyrings, and Small Clothing etc.*

Donations/Fundraisers
We received a significant amount of donations during CY25.

We are fortunate that many families we have supported either donate to the charity or go on to arrange fundraisers to support our charity, all in memory of their precious baby.

Donations were lower v CY24, however, that was partly to be expected, as in Dec-24 we received two significant one-off donations. There was also more in memory fundraisers in CY24.

Charity Fundraisers
The charity was able to generate additional income via fundraisers from items donated to the charity. This area continues to generate significant and important income for the charity.

Warwick Hospital - Willow Room
The charity supported a project at Warwick Hospital to make the Willow Room a more comfortable space for families going through a heartbreaking baby loss.

Personal Support
We host a monthly face-to-face support group for anyone impacted by Baby Loss and continue to provide support via our website and social media platforms.

The support we provide is more emotional and gives people an opportunity to speak to someone who has first-hand experience of baby loss.

Wave of Light Service
On the 15th Oct-25, we hosted a 'Wave of Light Baby Loss Remembrance Service' at our local Parish Church in Solihull, which was very well attended and appreciated.

The Wave of Light is an opportunity to join with other bereaved parents, families, friends, and people around the globe to light a candle and come to remember all babies and children who have sadly died.

Sibling Support Day
In Dec-25 we held our 5th Sibling Support Day, where bereaved siblings enjoyed a special day at the Tamworth SnowDome.
