Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Members of the public increasingly stop and converse with the trustees and the volunteers, Thanking us for the work we put in, and expressing the significant difference it makes to their personal health and well being. Many people say they have witnessed a significant increase in wildlife activity others say they come to meet up with friends but people do visit the Parkland from all around the Bridgwater area. We have a lot of disabled people using the Parklands and can access the disabled toilets and caffe at the close by village hall. The whole area has become a great hub of the community, where the ethos is access for all. The trustees/volunteers continue to concentrate on weeding, planting and maintaining the features borders. We have noticed an increase in the species and numbers of butterflies flourishing in the Parklands. This is largely due to leaving large unmown areas and the additional planting of different grass types in the prairie.
