6 GOVERNANCE, SAFEGUARDING AND PUBLIC BENEFIT

Exodus Youth Worx UK exists to support children and young people to thrive. We are committed to good governance, safeguarding and delivering sustainable, positive impact for our community.

OUR PUBLIC BENEFIT

We advance the education, training and personal development of children and young people, particularly those facing disadvantage, through safe spaces, mentoring, life skills, creative opportunities and practical support.

INCLUSION

We welcome and value every young person. We are committed to equality, diversity and belonging in all that we do, and we listen to young people to shape our work.

SAFEGUARDING ARRANGEMENTS

Safeguarding is central to our work. We follow robust policies and safe practice: safer recruitment and DBS checks for all staff and volunteers; comprehensive induction; regular safeguarding training; ongoing supervision and reflective practice; risk assessments for all activities and venues; parental consent and emergency contact details; secure recording of concerns and incidents; clear escalation pathways; and proportional information sharing in line with law and guidance. All concerns are taken seriously and acted on quickly.

The trustees oversee strategy, safeguarding, financial stewardship, risk and compliance. Day-to-day management is delegated to our Director, **Tara Hanna.**

£ A TRANSPARENT FINANCIAL REVIEW

Our income comes from grants, donations and fundraising alongside valuable donated goods and in kind hire and services from partners and supporters.

Securing multi year core-cost funding remains a priority as short-term funding limits the ability to plan with confidence.

We are committed to increasing our income so we can meet growing need.
We manage our resources carefully to deliver the greatest impact for young people.

We will continue to seek unrestricted and longer-term support to secure a stable foundation for our life-changing and life-saving work.

PRIORITIES FOR THE YEAR AHEAD

1. **PROTECT RELIABLE PROVISION**
   Keep our core sessions and community support running consistently for young people and the community who need us most.
2. **STRENGTHEN LEADERSHIP**
   Invest in our people, governance and safeguarding so we lead with confidence and integrity.
3. **BUILD CAPACITY**
   Invest in our resources, partnerships and facilities to reach more young people and deepen our impact.
4. **KEEP LISTENING**
   Centre young voices in every decision and keep adapting to what our community needs.
