During the year 1st January to 31st December 2025 the Foundation awarded 11 grants, totalling £3,825, to 11 individual young people. The trustees had regard to Charities Commission's guidance on public benefit when awarding these grants.

The grants awarded covered 8 different sporting/ recreational activities: Gymnastics, Kickboxing, Golf, Athletics, Rowing, Ballet, Table Tennis and Netball.

The grants awarded were utilised to support payment of membership fees, competition entry costs, equipment and coaching / tuition which allowed recipients, who otherwise would have been not have been able, to engage and participate in a range of sporting / recreational activities within their local communities.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

The year January to December 2025 saw an increase of around 75% in funds raised compared to the previous year. This was due to an increase in donations made by individuals and expansion of an annual event run by Empire Netball for the Foundation's benefit.
The total raised by the Foundation during the year was £7,263, which is the third highest annual amount raised in the Foundation's 8 years of operations.
The Foundation awarded 11 grants, totalling £3,825, during the period which was slightly up from the previous year.
The Foundation retained £6,668 of unrestricted funds at the end of 2025 which will be used to continue our work into 2026 and beyond,
We are still firmly of the belief that young people's physical and mental wellbeing have been enhanced by the support of the Foundation and we look forward to continuing to make a difference where we can in the future.
