KARAM BHOOMI FOUNDATION TRUSTEES REPORT FOR FINANCIAL ACCOUNTS
1 JANUARY 2025 TO 31 DECEMBER 2025

This is the Trustees' report for Karam Bhoomi Foundation ("the Charity"), a charity registered with the Charity Commission for England and Wales, charity number 1186163, on 5 November 2019 in England. These financials are the sixth to be submitted by the Charity since its establishment in 2019 and this report covers the period from 1 January 2025 until 31 December 2025 ("the Reporting Period").

The Charity is managed by three trustees – Kaizarin Kalifa, as the Chair, along with Anju Lama Chughtai and Gabriela Collins – and operates with the primary purpose of supporting the needy and relieving poverty by supporting education and the welfare of underprivileged children and their families in India. During the Reporting Period, the Charity continued its association with its partner An Initiative to Touch Your Soul (AITYS), although no funds were disbursed to AITYS during this period.

AITYS is an all-volunteer charitable trust based in India that provides education sponsorship for children, infrastructure support for schools and free medical camps for villagers in designated locations in Uttarakhand, a northern state in India bordering China. AITYS' aims are compatible with those of the Charity.

Karam Bhoomi's strategy during 2025 was to continue to increase awareness of the Charity and its causes and raise funds by attracting supporters whose views were aligned to those of the Charity. As in recent years, opportunities to raise funds during 2025 were limited due to the challenging domestic economic environment which made it difficult to justify formal fund raising events for overseas causes.

Nevertheless, the Charity raised £2,862 during 2025 through personal donations made by way of monthly direct debits, one-off donations, and donations raised during the Chair of the Trustees thirtieth wedding anniversary celebrations in August 2025 at which guests were asked to donate to KBF instead of bringing gifts. Funds raised during the year coupled with a surplus balance of £1,371 from the previous year resulted in the Charity having a credit bank balance of £3,783 at the end of 2025, after expenses. The Trustees will decide on when and how best to disburse surplus funds during 2026.

The Charity has a website which is elaborate and gives people accessing the website more information about the Charity, which in turn should increase

people’s awareness of the Charity. The website facilitates online donations, one off or regular.

The Charity is set up to collect HMRC Gift Aid for its contributions, where it applies to donors.

The Charity did not have a deficit during the Reporting Period.
