ST HELENS YOUTH AND VILLAGE CENTRE

Report and Accounts for 1/1/25 – 31/12/25

The group was unable to pursue any activity as we are still awaiting transfer of control of the St Helens Youth Club Building.

Once transfer of the building has taken place then the group will be able to become active in pursuing its stated aims.

We have been able to make contact with the existing owners of the building and discussions have commenced. We are currently awaiting a response.

We retain the hope that a transfer of the building may take place in 2026 although it seems more likely that we are looking at 2027 now.

For these reasons there has been no financial activity and no formal accounts have been prepared as there have been no transactions of any sort to be recorded.

Jonathan Bacon (Chair)
