Littlehempston Community Orchard & Meadow CIO – Annual Report 2025

During the course of 2025 a number of activities took place which support the charity's aims to preserve this old orchard, provide an environment which supports a range of wildlife and to provide a space which our community can use and enjoy. As well as workdays, we ran a Wassail and community apple pressing day. These events generated a small amount of income over and above covering the costs incurred in putting them on.

We have established an annual maintenance programme of mowing, brushcutting and hedge work.

Jim Price
Trustee

Item	Date	Income	Expenditure	Balance
Mowing (Skye Price)	6/4/2025		£30	£5,780.75
Mark Piper (topping meado	7/7/2025		£150	£5,630.75
