Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In 2025 we continued to carry out some activities focused on communities in Nigeria through direct engagement with individuals in the land who helped to deliver projects by direct sponsorship in deprived communities. Career Exposition & Leadership Symposium – October 2025 In October 2025, Agape Life Project, in partnership with RCCG, King's Breed Church, Magboro, organised a Career Exposition & Leadership Symposium for young high school leavers and undergraduates. The initiative responded to a clear need among young Nigerians transitioning into higher education. While many enter tertiary institutions with enthusiasm, they often have limited clarity about career pathways, soft skills, scholarships, entrepreneurship, mentorship, and other opportunities. The symposium was designed to close this gap by providing practical guidance and exposure. Reach and outcomes:

		• 25 young people received practical support relevant to their academic and career journeys. • 15 parents gained greater clarity on how to guide and support their teenagers in career decision-making. • One participant has subsequently secured a scholarship to study Law at a university in Germany. This is a significant outcome and an encouraging testament to the value of timely exposure, information, and guidance. We focused mainly on virtual meetings and virtual workshops and improved our capability in doing this more effectively. We conducted. • one-to-one counselling sessions • mentoring young adults • prayer sessions • continue to issue our daily tweets “God’s Word for Today” and “Reflection on God’s Word for Today”. Through our Nigerian country coordinator, we delivered: Undergraduate Scholarship Support Agape Life Project continued scholarship support for two undergraduate students: • Dorcas Fatola – currently rounding up her National Diploma (ND) programme at the College of Health Technology, Offa, Kwara State. • Fiyinfoluwa Fatola – currently undertaking his Higher National Diploma (HND) programme at Federal Polytechnic Offa. Both students come from a family whose parents were unable to meet the cost of their tuition. Through the compassionate support of Dr. Michael Kehinde from his personal funds.
