Malvern Hills RDA

Trustees Report June 2026

The trustees would like to thank our wonderful volunteers for their hard work and commitment. Our excellent coach Amanda continues be the backbone of our group with her professionalism and enthusiasm

It is with sadness we learnt that Guiness Park Farm will cease providing equine facilities later this year. It has been our venue for very many years. We have approached Longlands care Farm, Whitbourne where we hope to continue to provide riding for the children of Regency High School.

Feedback from staff and parents of our children continues to be very positive. Improvements in motor skills, speech and social engagement have all been noted.

Our financial position remains good. Income from donations both from individuals and other charities have enabled us to continue our work. Your major expense is hire of horses and riding facilities. Other necessary expenditure is for ongoing training of coaches and volunteers, insurance and replacement equipment.
