Trustees Annual Report

Statement of Financial activities

Report of the Trustees for the year 1 January to 31 December 2025

£0 accounts but plenty going on

We are currently running our work on in-kind donations through provisions and supplies of our supporters, that are transported directly to the people we vowed to support.

People also give directly to the people we are supporting, as we currently cannot send monetary fund ourselves.

Hence our accounts have £0 receipts or payments.

We have nothing further to report for 2025.

Our last visit can be seen from our Facebook Page: IgnatiusFoundation1

Our purpose and vision

It is the vision of the Ignatius Foundation to see Makonde Primary School and the surrounding community of Gutu transformed. There are countless communities that need physical and economic transformation, and it is our aim to see most if not all of them transformed for the better.

The objective of the charity is for the benefit of the public:

> *preventing and relief of poverty through the provision of support, funds, goods or services of any kind in Gutu, Zimbabwe and such other parts of Zimbabwe, Africa and the whole world.*

We do this by:

We believe that the key to fighting poverty is through education

Education for all is our vision. Through the provision of essential educational supplies and funding we are ensuring that Makonde Primary School in Gutu, Masvingo, Zimbabwe is a force for good in the community!

The details behind the vision

In June 2016 Ignatius Makonese lost his life, the effects of his passing were felt far beyond the immediate family as he and his wife Edna, had made it their life's work to bring about physical and economical development to the village of Kwesere in Gutu.

After the passing of her father Patience Makonese Chijoko travelled to Gutu and was amazed at the number of people gathering at her family's house requiring assistance. She decided that in order to carry on the legacy her father and mother had established, she vowed that she would support Makonde Primary School and bring about change hence making an impact in the community.

Since then, Patience has been able to supply the school with stationery, IT equipment, clothes, shoes and funding donated by friends and family.

The primary school

This is the School in Gutu, Zimbabwe that we are currently supporting.

Financial Review

We are able to sustain our work at the present time with in-kind donations that are shipped or sent directly to the area we currently support.

All costs are met by a beneficiary, and again are in-kind so do not go through any of our accounts or financial statements.

Given the value of our total in-kind benefits means we can submit Receipts and Payments Accounts, the in-kind totals are not required to be (nor are they) shown in the accounts below.

Therefore, our reserves are still £nil due to the unique way or donors support our work.

Assets

All work is done by volunteers using their own equipment, so the Charity holds no assets either.

We do not currently have a bank account hence the balance is £0.

Accounts, therefore, £nil as stated above
