ROAD TO RECOVERY ANNUAL REPORT 01/04/26

Road to Recovery is a motocross injury charity which helps motocross riders who suffer a life-changing injury whilst participating in the sport of motocross in the UK.

The charity carries out a number of fundraising activities and receives charitable donations from companies and members of the public.

R2R attended a number of events during the financial year, including the British Motocross Grand Prix, British MX Championship races and other motorcycle sport activities.

The charity also organised a golf fundraising day which contributed a significant revenue boost to the charity.

During this period the charity did not make any grants to injured riders or their families and dependants.
