WILTON BRADLEY CHARITABLE TRUST
TRUSTEES' REPORT FOR THE YEAR ENDING 31 DECEMBER 2025

The Trustees of the Wilton Bradley Charitable Trust are pleased to present this report of the Wilton Bradley Charitable Trust (the Trust) along with the financial statements of the Trust for the year ended 31 December 2025.

The Trustees are satisfied that the financial statements comply with the requirements of the Charities Act 2011, the Charity's Constitution and the recommendations of the Statement of Recommended Practice. These financial statements have been prepared on the Receipts and Payments Basis.

Objectives and activities

The Wilton Bradley charitable trust exists to advance such charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time, in particular but not limited to relieve:

(a) sickness, poverty and financial hardship amongst young people, children and others living or working in South Devon and beyond by, for example, making grants of money or providing or paying for goods, facilities and services; and
(b) the needs of and increase the opportunities of young people and children living in South Devon and beyond by providing, for example, advice, equipment, assistance and by supporting them in advancing their education and skills.

The donations received to date have been entirely from Wilton Bradley Limited.

Public benefit

The Trustee Board has complied with the duty in section 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Commission.

Support from Corporate Donors

The charity continues to receive generous support from Wilton Bradley Limited, whose ultimate controlling party is also a trustee of the charity. This ongoing partnership with Wilton Bradley Limited along with the donations received from them has enabled the charity to further its mission of improving the lives of children and young people in South Devon, with a particular focus on increasing access to essential resources and opportunities. One of the charity's key initiatives involves sourcing and supplying 'Beds4Kidz' to families whose children do not have a bed to sleep in, addressing a critical need in the community. The total amount paid on behalf of the Trust during 2025 was £29,267.

In addition to direct financial contributions, Wilton Bradley Limited also donates proceeds from staff sales of obsolete, damaged, and returned stock. These funds are directed towards local charitable initiatives, further extending the charity's reach and impact within the region.

Achievements and performance

During the year to 31 December 2025, there have been no grants paid.

Financial Review

During the period to 31 December 2025, the Trust had net payments of £nil (2024 - £10,065).

Receipts totaling £nil (2024 - £nil) were received from Wilton Bradley Limited, via donations during the period.

Risk management

The Trustee Board is committed to the identification and management of the major strategic, business and operational risks which the Trust faces. The Trustee Board is tasked with identifying the likelihood and impact of any risks, together with such actions as may be necessary to mitigate such risks.

Reserves policy

It is the Trustees' objective that the Trust should maintain a positive level of reserves at all times. Free reserves currently stand at £150,298, which is the bank balance as at 31 December 2025.

Plans for the future

We continue to develop our relationships within the community to access those who are in need.
