Achievements and Performance

SORP reference

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.

Para 1.20

As previous years we have continued our work for those with mental health needs. This is in the form of social groups based on providing peer support and social inclusion to those with mental health difficulties.

We have successfully continued our project in Northampton to support people with a severe enduring mental health diagnosis which often leads to a greatly increased risk to self via self harm and suicidal actions. We have successfully worked with people in need that others have failed to work with, making a great difference to the safety and quality of their lives. The people under this project have spent several years in hospital prior to coming to our support and all have successfully been in the community and in our support for over two years now. Commissioners, NHS and social service teams have been very happy with our work and the great benefit we are having to those in significant need.
