Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Thanks to some generous donations, during 2026, we have been to help many more local children, including Lily who stopped breathing soon after she was born. It took 28 minutes to revive her which resulted in severe brain trauma causing quadriplegic Cerebral Palsy. Lily is now 12 and struggles with her balance, co-ordination and has little use of her left arm and hand. Lily has just joined CALM, and we are hopeful that we can now help her going forward as she is a truly inspiring young lady who has already overcome much in her young life. She now receives two sessions with CALM each week, his parents get the help and support to continue with exercises at home and as a result is back making enormous progress and will continue to do so for as long as she receives the help any and all children like her should get. We are still entirely dependent upon donations and are therefore constantly seeking funding support, and cannot thank our supporters enough for their help to enable CALM to continue to provide this vital therapy.
