Structure, governance and management

The 3 Trustees are: George Ababio Dapaah
Davies Seth
Pastor Yaw Owusu Nasafoah

The Trustees play a primary role in ensuring good governance and functioning of the foundation. The Board's role, functions and responsibilities are quite clearly defined. The Charity currently has a dedicated team of Advisory board members in the UK who have helped to secure financial support and contribute to the future planning of the organisation.

Governing document:

Resurrection power and living bread ministries international Manchester branch was registered as a charity on 18th May 2020

Recruitment and appointment of trustees:

The members of the General Trustee Board are trustees for the purposes of charity law. New trustees may be appointed by resolution of a meeting of the trustees. Much of the charity's work focuses upon the promotion of the Christian religion and the running and maintenance of its places of worship.
The General Trustee Board seeks to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has, through selective advertising and networking with voluntary organizations active in the sector, sought to identify those who would be willing to become members of the charity and use their own experience to assist the charity.

Risk Management:

We are committed to a policy of identifying, monitoring and managing the risks that might adversely affect the activities in which we are involved. In this context, risk is defined as the potential to fail to achieve charity objectives and for loss, financial and reputational, inherent in the environment in which we operate in the nature of the transactions undertaken.

The principal risk of the charity has been its dependence on voluntary income. Trustees have initiated various processes to mitigate such risk, so that the charity has sufficient reserve in the event of adverse condition(s). The trustees have also examined other operational and business risks which they face and confirm that they have taken steps to mitigate the significant risks.

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2025

Public Benefit:

The Trustees have complied with the duty in Section 4 of the Charities Act 2006 and have paid due regard to public benefit when preparing this report. The benefit provided to the public is consistent with the aims of the charity in UK.

Objectives and activities:

To promote and advance Christian religion for the public benefit in accordance with Celestial doctrine, in London or in such parts of the United Kingdom or the world as the Trustees decide, in particular but not exclusively by the holding of prayer meetings and Christian worship services, providing or distributing information about the Christian faith, enlighten others and through pastoral care and support.

Financial review:

The largest contribution to the charity for the year came from general offerings. The charity has begun its charitable activities from April 2016.
The Charity currently aims to designate the total fund received less expenses for the main objective of the charity.

Plans for future periods:

The Charity plans to develop various fundraising strategy to include mass marketing. Besides mass marketing and events, the charity is aiming to achieve its targets through securing donations from willing individuals. A development board may be created to help include other avenues of fundraising to be included in the yearly programme.

2. Made judgments and estimates that are reasonable and prudent,
3. Stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
4. Prepared the financial statements on a going concern basis (unless it is inappropriate to presume that the Charity will continue in operation).

The Board of Trustees has overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 1993. 1.3 Incoming resources

All incoming resources are included in the Statement of financial activities when the Charity has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Donated services or facilities, which comprise donated services, are included in income at a valuation which is an estimate of the financial cost borne by the donor where such a cost is quantifiable and measurable. No income is recognised where there is no financial cost borne by a third party.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.
