FAITH TV CHARITY

Charity Registration Number: 1189888

Trustees Annual Report for the period 1st June 2025 to 31st May 2026

Our Aims and objectives

Our charity's purposes as set out in the objects contained in the charity constitution are to:

- Advance the Christian faith for the benefit of the public in accordance with the Statements of Belief of the charity.
- In particular, but not exclusively, by means of broadcasting messages of an evangelistic and teaching nature, using religious radio, television, audio and video platforms, internet, social media and the written word.

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity. The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives they have set.

The focus of our work

Our main objectives for the year continued to be in line with our purposes and aims as set out above. The strategies we used to meet these objectives included mainly the application of the funding raised from the general public towards the promotion of the purposes and aims of the charity by applying funds towards the broadcast of the gospel of Jesus Christ by means of television in the United Kingdom of Christian television programs.

How our activities deliver public benefit

All our charitable activities currently focus on the broadcast of the gospel of Jesus Christ by means of assisting with costs relating to the broadcasting on television in the United Kingdom of Christian television programs.

Financial Review

The level of donations received by the charity currently does not exceed £25 000 per year. Against the backdrop of limited resources, it has continued to be difficult to plan or develop services. Nevertheless, the charity generated revenue from donations for the period amounting

to £ 3 650 (2025 £ 10 553).

Principal Funding Sources

The principal funding sources for the charity are currently donations from the general public. Aside from retaining a prudent amount in reserves each year most of the charity's funds are to be spent in the short term so there are few funds for long term investment.

Reserves Policy

The Management Committee has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be utilised for the broadcast of Christian television programs. The charity does not employ staff and has limited expenses that need to be covered. As a result, it is currently considered that a conservative reserve policy is not currently required, and available funds should be applied to the principle purpose and aims to the greatest extent possible. The present level of reserves available to the charity of £ 3 850 is therefore acceptable.

Plans for Future Periods

The charity plans continuing the activities outlined above in the forthcoming years subject to satisfactory funding arrangements.

Risk Management

The Management Committee has conducted a review of the major risks to which the charity is exposed. Internal control risks are minimised by the implementation of procedures for authorisation of all transactions and projects. These procedures are periodically reviewed to ensure that they continue to meet the needs of the charity.

Responsibilities of the Management Committee

The Management Committee prepares financial statements for each financial year which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the management committee should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is not appropriate to assume that the company will continue on that basis.

The Management Committee is responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity. The Management Committee is also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
