During 2025 DCS Meals on Wheels served 1274 meals at an average cost of £4.82 per meal. This is slightly more than in 2024 and our weekly average fluctuates around 25 deliveries. Thanks are due to our many volunteers and to the Square Café who prepare a hot first course every week.

Our other activities are around the provision and maintenance of the 9 Defibrilators across our area and training for the public in their use. Due to donations there has been no cost to this activity.
