LETTER FROM THE CHAIR

Al-Qiyas Welfare remains unwavering in its dedication to helping those most in need. Our growth across different regions of Pakistan has allowed us to make a meaningful difference in the lives of more people than ever before, offering them the support and assistance they truly deserve.

With every year that goes by, we have extended our reach to help the most vulnerable and support an increasing number of deserving families, in particular providing emergency humanitarian aid in reponse to natural disasters.

This report emphasizes the important work carried out by Al-Qiyas Welfare in its mission to reduce poverty in communities throughout Pakistan. It showcases the organization's unwavering dedication to improving the lives of those in need. Through a variety of projects, Al-Qiyas Welfare consistently makes a meaningful difference in underprivileged communities across the country.

As we reflect on another year, I would like to express my heartfelt gratitude to our dedicated volunteers, who are an essential part of our organisation. Thank you for giving your time, energy, and compassion. Your efforts are truly appreciated.

To our donors, thank you for placing your trust and confidence in Al-Qiyas Welfare. Every donation, whether large or small, has helped make a meaningful difference.

It is our collective effort that has driven Al-Qiyas Welfare towards achieving positive change in the communities we serve. Together, we will continue to work towards our mission and vision of creating a better, brighter, and more compassionate future for all.

Chairman and Founder

Zulfiqar Hussain

OVERVIEW

HUMANITY

CARE

RESPECT

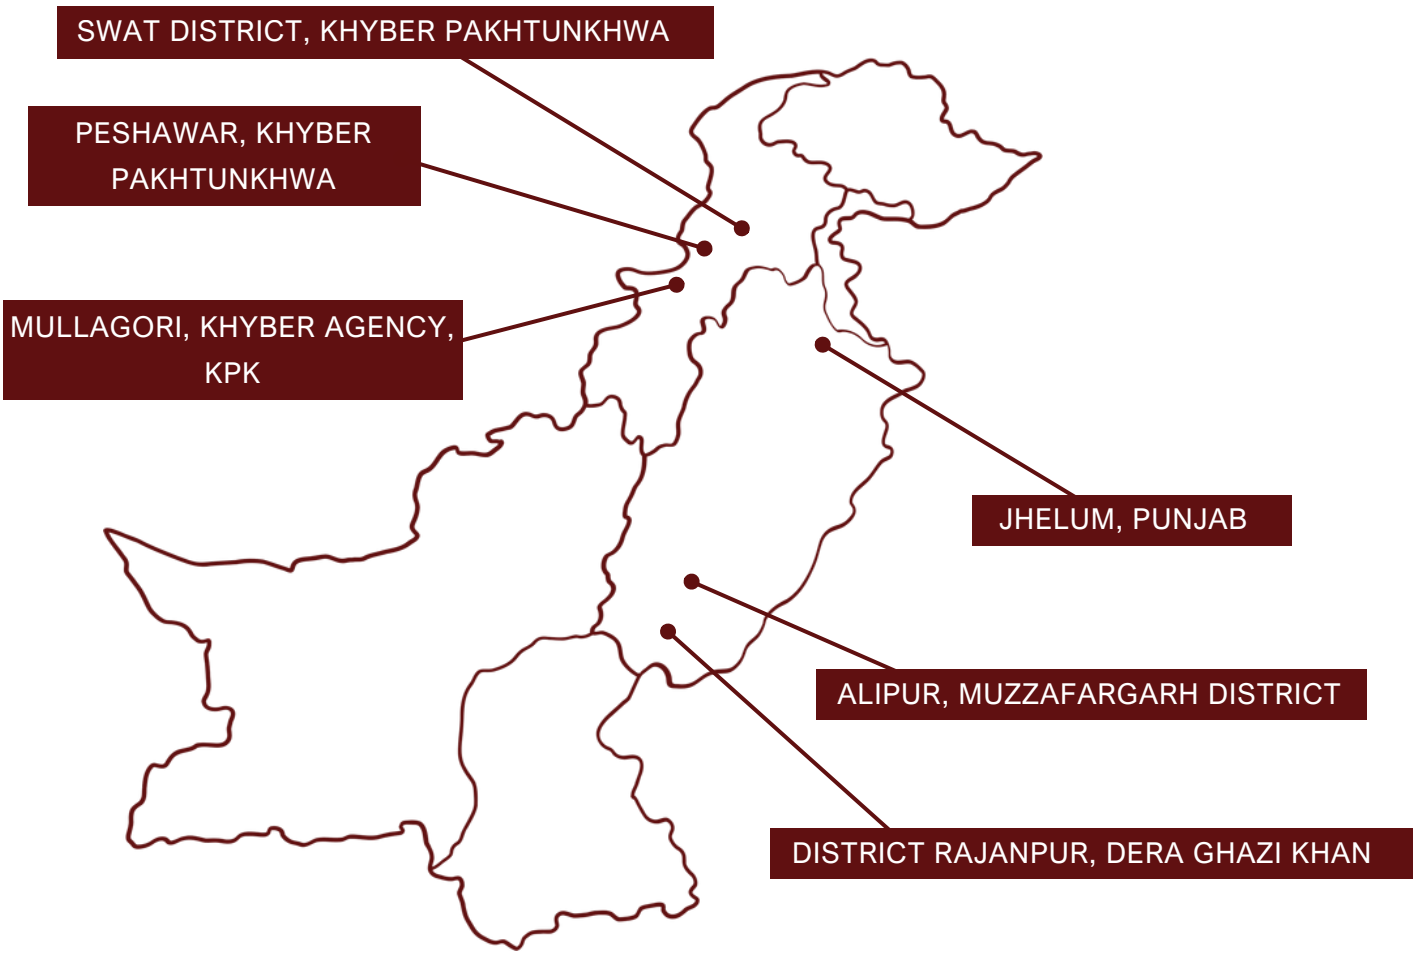

Vision

- The relief of those in need by reason of financial hardship in Pakistan by providing financial support and assistance for funerals and burial costs.
- The prevention or relief of poverty in Pakistan by providing or assisting in the provision of; clean water supply, food, clothing, medical care, equipment for people with disabilities and education for orphans.

Mission

Al-Qiyas Welfare was founded in 2019 with an aspiring vision to alleviate poverty by providing financial assistance and support for funerals and burial, monthly food packs, wheelchairs and assistance for individuals with disabilities, education support to orphan children and clean, safe and sustainable drinking water in villages and rural communities in District Jhelum in Pakistan. We aim to address the needs of those living in poverty and those struggling with financial problems and help the poorest communities in Pakistan.

OUR REACH ACROSS PAKISTAN

In recent years, Al-Qiyas Welfare has expanded its reach across Pakistan. Our outreach has extended to more communities than ever before, offering assistance and support to those in need through our projects. These interventions have targeted rural populations and areas impacted by floods and displacement. Your support remains a crucial role in enabling us to reach more communities in need across Pakistan and bring positive change. Together we can make a difference.

MEET OUR TEAM

Al-Qiyas Welfare is primarily driven by dedicated volunteers who generously invest their time and energy to support our mission. These remarkable individuals are the essence of Al-Qiyas Welfare, tirelessly working to create a positive impact in the lives of those in need. Their unwavering commitment is vital for our project's success. From packing and distributing essential food packs to installing clean water hand pumps, their hard work has directly transformed lives. When crises hit, our volunteers stepped up to deliver critical flood relief aid, and their dedication ensured our seasonal Qurbani distributions reached the most vulnerable families smoothly and seamlessly. Without their time and effort, Al-Qiyas Welfare would struggle to reach as many individuals and families requiring support. We are truly grateful for their invaluable contributions and the positive impact they have on our organisation and the communities we serve. JazakAllah Khair to all our wonderful volunteers for your hard work and dedication. May Allah reward you all for your efforts.

FUNERAL & BURIAL SUPPORT

Since its beginning, Al-Qiyas Welfare has been supporting families who have experienced the loss of a loved one by organising burial and funeral arrangements.

Once again this year, we have extended financial aid to families in need, providing essential packages that contain the necessary items including the shroud (kafan), required for burial according to Islamic tradition. These necessary provisions were provided at no cost to families facing hardship due to the loss of a loved one.

We believe in the importance of coming together as a community to support one another during times of loss and grief. It is our mission to ensure that families facing such challenging circumstances are not burdened with financial stress while grieving the loss of their loved ones. Through the generous contributions of our donors and volunteers, we have been able to extend a helping hand to those in need, standing by those who are going through difficult times.

As we look to the future, we remain committed to supporting families in need, offering assistance and care to bereaved families and easing their financial stresses during this difficult time. We believe that by coming together and showing solidarity, we can make a positive impact in the lives of those who are struggling.

At Al-Qiyas Welfare, we strive to be a beacon of hope and support for all community members during their toughest times.

FOOD

Al-Qiyas Welfare is dedicated to supporting vulnerable communities, empowering them to meet their religious obligations while tackling humanitarian issues such as food insecurity and poverty.

Supporting Vulnerable Communities

We are committed to providing essential food aid to families who are struggling with financial hardship. Numerous households have benefitted from our regular ration pack distributions, sponsored meals, community kitchens, and dastarkhwans, continuing throughout the year as ongoing support. During Ramadan, Al-Qiyas Welfare ensures that families have access to nutritious food to observe fasting with dignity.

Ramadan Ration

Ramadan food packs is a project our team have done for many years now and it has benefitted many families. This initiative ensures underprivileged families do not go hungry and have access to nourishing meals to break their fast each day, allowing them to do so without worry. These food parcels are carefully curated to contain a variety of staple food items that are essential for sustaining a family for up to a month. Each pack consists of substantial quantities of rice, flour, lentils, oil, tea, sugar and more, all purchased locally to support the community.

Fidya & Kaffarah

Whether it was Zakat, Sadaqah, Fidya or Kaffarah, the team made certain that your generous donations went to those who were in need and truly deserving, working tirelessly to make sure the food packs reached these families in time for Ramadan.

From purchasing, packing and distribution, we are grateful for our volunteers as always who ensure the success of the project. Their dedication makes it possible to reach more families each year.

Sponsored Iftars *(fast-breaking evening meal)*

This year, our charity organised multiple Iftars for members of the community throughout the blessed month of Ramadan, creating a welcoming and supportive atmosphere for breaking fast together. Thanks to our devoted team of volunteers, we were able to serve hundreds of individuals with warm, nutritious Iftars, fostering a sense of unity within the community.

The programme was made possible through the generous sponsorship of donors from the UK, USA and Pakistan, whose contributions helped cover the cost of food and essential supplies. Our Iftar programme is run entirely by dedicated volunteers. From preparing and serving meals to organising the gatherings and supporting those attending, our volunteers gave their time and effort with sincerity and compassion. This initiative is about more than providing a meal. It brings people together, strengthens community bonds and allows everyone to share in the spirit of Ramadan.

Free Meal Distributions

Our charity is committed to supporting individuals and families in need by providing food, hot meals and clean drinking water as Sadaqah (voluntary charitable giving) throughout the year, including during the blessed months of Muharram and Rabi' al-Awwal. This is made possible through the generosity of our donors. May every meal served, every food package distributed and every drop of water provided through their donations be a source of ongoing reward and blessings for them and their families.

Dastarkhwan Community Kitchen

In efforts to tackle the problem of food insecurity and hunger in Jhelum, Al-Qiyas Welfare held regular dastarkhwans (community kitchen) for the community, throughout the year. The team provided hot, cooked meals to individuals in need, including the poor, homeless, and those living on the streets. Meals are offered free of charge, ensuring that everyone receives them with dignity, care, and respect.

QURBANI

Each year Al-Qiyas Welfare arranges Qurbani for needy and deserving families in Pakistan and Alhamdulillah with each passing year our Qurbani project grows.

Our Qurbani project was successfully completed once again this year, continuing our commitment to supporting economically disadvantaged families during the blessed occasion of Eid ul-Adha. Cow and camel meat was distributed, over the three days of Eid ul-Adha, to hundreds of families and individuals experiencing financial hardship, enabling them to share in the joy and blessings of Eid.

The Qurbani project is about more than the provision of food. It provides families facing economic hardship with the opportunity to participate in the celebrations of Eid, while strengthening community bonds, fostering spiritual fulfilment and bringing hope and dignity to those experiencing hardship.

A huge thank you to everyone who participates in the Qurbani project with Al-Qiyas Welfare each year, and to the volunteers who give their time and effort to ensure its successful delivery in an organized and respectful manner. Your support and generosity is truly valued and cherished. Your belief in our work has made a meaningful difference in many lives.

Qurbani, meaning ‘sacrifice’ refers to the important Islamic practice of sacrificing a livestock animal during the festival of Eid al-Adha.

ROZGAR SCHEME

Rozgar روزگار

→ meaning employment, job, or livelihood

Rickshaw

In 2025, Al-Qiyas Welfare introduced the Rozgar Scheme to support low-income families, unemployed individuals or people with disabilities who are facing financial hardship and seeking a sustainable way to earn a living.

The scheme aims to create long-term opportunities for self-reliance and economic independence. As part of this initiative, we donated rickshaws to three deserving individuals who are the primary earners for their families and had been experiencing significant financial difficulties. The rickshaws provide each recipient with a dignified and practical means of earning an income, enabling them to work, support their families and meet their daily needs. By providing people with the tools and opportunities to work, we aim to help individuals build sustainable livelihoods, become financially independent and create a more secure future for their families.

The Rozgar Scheme goes beyond immediate relief, for someone struggling to provide for their family. It can represent something much greater, an opportunity to work, earn, regain independence and transform their life. We are grateful to our donors whose generosity made this initiative possible.

CLEAN WATER

Limited access to clean, safe drinking water continues to be a significant challenge affecting those living in poverty. Impoverished communities across Pakistan are in need of clean and safe water for drinking, cooking, and maintaining proper hygiene.

- Health and Hygiene Improvements
- Long-Term Community Benefits
- Improved Quality of Life

In 2025, we continued to install water hand pumps for impoverished communities in Pakistan in different areas across District Rajanpur, Dera Ghazi Khan, as well as in flood-affected areas of Alipur, District Muzaffargarh, to help restore access to clean, safe water. By installing reliable hand pumps, we help thousands of people gain safe, reliable, and accessible water, improving health outcomes, convenience, and overall quality of life. Water projects represent one of the most enduring forms of charitable impact, providing benefits that extend far beyond the immediate moment. A hand pump can be a beautiful way to give Sadaqah Jariyah — ongoing charity whose benefit continues for as long as people use the water. Our donors have the opportunity to contribute to a Water Hand Pump, either in their own name or in honour of a loved one, turning a small act of generosity into a lasting legacy of kindness.

PAKISTAN FLOOD RELIEF

In 2025, Pakistan was hit by a series of devastating floods triggered by heavy pre-monsoon rains in June and continuing throughout the monsoon season into September. This was among the country's most severe flood disasters in recent years. Heavy monsoon rain caused flash floods, river flooding, landslides, lightning and urban flooding across much of the country. The disaster caused widespread casualties, infrastructure damage, and mass displacement. Swat, Khyber Pakhtunkhwa (KPK) and large areas of Punjab, in particular were among the worst-hit areas.

- Clean Drinking Water
- Food Packs
- Duvets & Beds
- Mosquito Nets
- Clothes
- Cooked Meals

Standing Together in Times of Need

When the floods struck communities across Pakistan, thousands of families were left facing the loss of their homes, possessions and livelihoods. In the midst of this hardship, Al-Qiyas Welfare responded by providing emergency assistance to families and individuals in urgent need.

August : Emergency Relief in Buner and Swat

When the disaster hit, Al-Qiyas Welfare began providing immediate support across flood-affected communities in Buner and Swat, Khyber Pakhtunkhwa (KPK). Initial support included the distribution of hot, cooked meals along with the provision of daily essentials and food supplies. The emergency response focused on reaching families with urgent needs. Our teams and local partners worked to reach hundreds of people in need, prioritising those most vulnerable and ensuring that assistance was directed towards those most affected.

Flood Relief and Water Pipeline Restoration

Whilst visiting the area, our team provided hands-on physical assistance to help restore damaged water pipelines. Working alongside local residents and workers, the team supported the repair and restoration efforts following the damage caused by the floods, helping the community regain access to essential water services.

Supporting Families with Essential Supplies

Through the generosity of our donors and supporters, we were able to deliver vital relief supplies, including duvets, bedding, food packs and clean drinking water to the affected communities. For families who had lost so much, these essentials provided more than practical assistance. A warm duvet and clean bedding offered comfort and dignity. Food packs helped families meet their immediate nutritional needs, whilst access to clean water was essential for health and wellbeing.

Visiting Families and Assessing Long-Term Needs

As the emergency situation continued, our team maintained regular visits to flood-affected areas across Swat, KPK. During these visits, the team met with local residents, families and community elders, listened carefully to their experiences and learned about the challenges they were facing following the floods.

The team discussed their immediate needs, concerns, and the difficulties they were experiencing in their daily lives. By speaking directly with the affected communities, we were able to better understand where support was most urgently needed and how our charity could respond effectively. As the needs of families became clearer, our response developed from immediate emergency relief towards longer-term support to help families rebuild their homes and restore their livelihoods.

October: Support for Families in Alipur, Muzaffargarh

In October, Al-Qiyas Welfare organised further emergency aid for communities severely affected by the floods. Our trustees and dedicated team of volunteers travelled specially from Jhelum to Alipur in District Muzaffargarh.

With generous donations and in partnership with Chelmsford Muslim Society, aid was distributed to families in flood-affected areas of Alipur, Muzaffargarh, where communities had experienced substantial damage.

The team provided essential items, including:

- Traditional woven beds (Charpai)
- Duvets and bedding
- Clean drinking water
- Mosquito nets
- Food packs
- Other vital household supplies
- Cash distribution

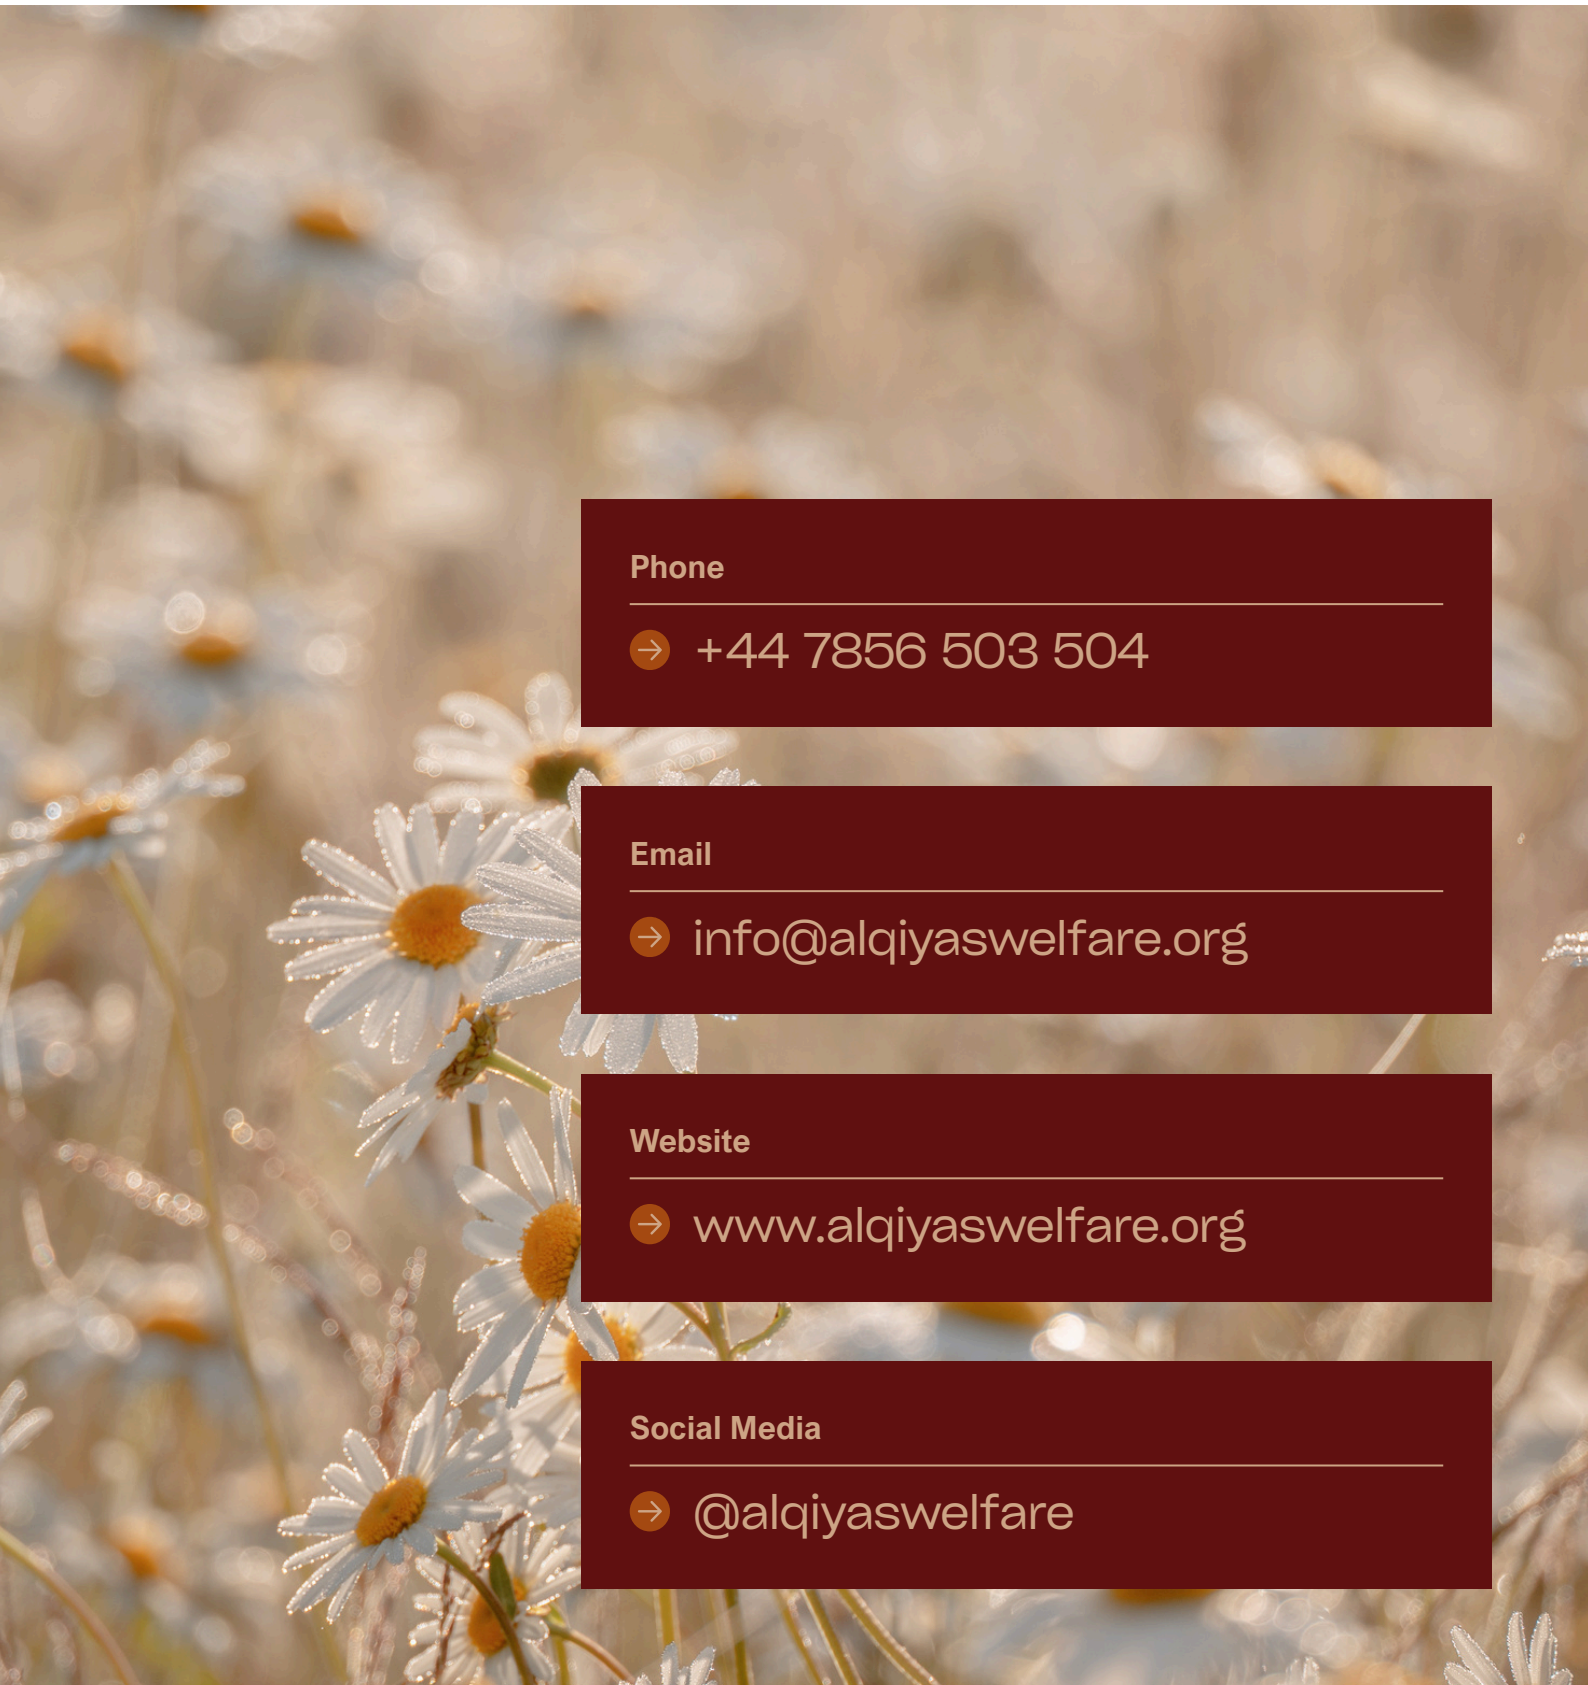

Continuing the Journey from Relief to Recovery

The response to the 2025 floods extended beyond just delivering immediate emergency aid. Throughout the response, the team continued to assess the changing needs of affected families, with the wider aim of supporting communities as they moved from emergency relief towards recovery. Our focus was on rebuilding, helping families regain stability following the devastating floods.

We are deeply thankful to all our donors, volunteers and partners, including Chelmsford Muslim Society, whose generosity enabled this vital assistance to reach families affected by the floods.
