Achievements and Performance

Main Achievements

As a church we have provided humanitarian assistance to several church members and visitors facing genuine hardship and, on a few occasions, offered financial support to individuals in need in Romania. We also welcomed missionary pastors from Ukraine and pastors supporting Ukrainian refugees in various parts of Romania. In response to their needs, we organised special meetings and collections to provide practical and financial assistance.
Church services continued regularly, focusing primarily on prayer and worship, alongside occasional baby and child dedications and wedding ceremonies. Our Sunday School activities also continued on a regular basis, catering for children and young people across all age groups.

Financial Review

Financial Position

Donations received in the period amounted to £47,475 (2024: £35,370) with expenses of £38,888 (2024: £38,571) resulting in a surplus for the year of £8,587 (2024: deficit £3,201).
Unrestricted cash reserves held at the year-end amounted to £15,369.

Reserves Policy

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the Charity should be approximately three months of the resources expended. At this level the trustees feel that they would be able to continue the current activities of the Charity in the event of a significant drop in income.
