Structure governance and management

The charity is governed by its board of trustees, with ministry activities supported by church leaders and volunteers. The board reviews the church's mission, ministry progress, finances and future plans. The 2026 board presentation records the previous annual meeting as 19 October 2025.

Objectives activities and public benefit

The charity's stated purpose is to advance the Christian faith in accordance with the Holy Bible for public benefit in Leicester, United Kingdom and worldwide. Our vision is to teach, nurture and mature people in their understanding of God's Word, righteousness and love. Our mission is to bring simplicity to the Gospel and change lives. We pursue this through worship, Bible teaching, prayer, fellowship and practical care.

Worship teaching and fellowship

During 2025, the church-maintained worship and fellowship, with the 2026 board review reporting average attendance of approximately 12 for that year. The meeting log contains dated 2025 entries for Sunday services, Tuesday prayers and Thursday Learning Point sessions. Recorded themes include standing on God's Word, intimacy with God, expressing love for God, remaining in His presence and a heart of adoration. The log also records Christmas and year-end gatherings. These activities provided opportunities for Christian worship, learning, reflection and mutual encouragement.

Practical care and community engagement

The board's review of 2025 records community events and leadership training. The transaction records also show spending on charitable support, training, refreshments and facilities. The 2025 ledger records £1,591 under the category Charity. This provides evidence of practical financial support.

Achievements and public benefit

During 2025, the church sustained membership of 14 to 16 people. Through the teaching of God's Word, members experienced spiritual encouragement and upliftment. Fellowship strengthened family bonds and relationships within the church community. Investment in IT equipment supported increased online reach and participation.

The church developed its structure and workforce through training and development, supporting members in their ministry responsibilities. Financial support and counselling provided practical and pastoral care. Members shared testimonies of their experiences of God's work in their lives. Improvements to church organisation and service delivery supported the overall worship and fellowship experience. These achievements are reported by the church leadership.

Volunteers
