The prevention or relief of poverty and financial hardship for the benefit of the public through:
• Providing or assisting in the provision of items or services to individuals or communities in poverty
• Raising awareness of poverty and financial hardship by educating and informing the wider community on poverty and the impact it has in the UK and globally. This will be done using a range of difference approaches for example (but not limited to) social media platforms, social and fundraising

events that the charity organise to raise donations and through the website for Poverty Pound.
• Organising charity fundraisers to raise money through donations. The money raised will be used to provide essential items and aid those in poverty.
• Adapting to the ever changing social and economic climate and address the needs of the community at that relevant time.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

At the forefront of our planning was the importance of public benefit and helping reach out to those that need our support.

The tagline and our USP is: Unite. Support. Provide. The message is simple and clear that we should all unite to help tackle poverty in society. The support and donations will help us achieve our objectives and reach out and aid more people that need help. We will be able to provide support and improve the lives of others.

With the items received, we were able to distribute to those that needed it most.

Throughout, we would source the items ourselves, collate, pack and distribute.

Summary of the main achievements of the charity during the year

As a Charity, Poverty Pound hopes to not only reach out to those living below the poverty line or homeless but also the important element of raising awareness of the issues we are faced with. Sadly, with the current economic climate and uncertainty, many are faced with uncertain times ahead.

With the donations received throughout, we were able to distribute to those that needed it most.

Section E Financial review

Brief statement of the charity's policy on reserves

The funds as at 31.12.25 will be used for the year ahead in reaching out and supporting more people who need help and support.

As a small Charity, we solely rely on generous donations by individuals and must effectively spread out the funds to be used in reaching out to as many people as possible.
