TRUSTEES REPORT
FOR THE YEAR ENDED 31ST DECEMBER 2025

Objectives

The charity is focussed on preserving, developing and promoting British-Jewish choral heritage, bringing this unique music to audiences of all backgrounds across the UK and beyond. This to be done through the medium of live performances, recordings, films, commissioning of new music, and education programmes, with a view to creating better understanding about Jewish culture and religion.

Activities

Mosaic Voices is in its fifth year as a registered charity, and that period included delivery of live sacred services at least once per week at its home synagogue, the historic New West End Synagogue in Bayswater, London. These included the High Holyday services for Jewish New Year and Day of Atonement services, which reached several hundred members of the community as well as many visitors from the UK and overseas.

The focus of 2025 was on community and cross-cultural, bridge building events, both in the UK and abroad. Mosaic Voices was invited to present a concert in Düsseldorf, Germany, in March, as part of the annual Jewish Cultural Festival, with around 200 concert goers of all backgrounds attending. Whilst in the city, the choir also participated in the shabbat morning service for the Jewish community at the Central Synagogue in Düsseldorf.

On August 17th, Mosaic Voices led the Victory in Japan 80th anniversary commemorations, which took place at New West End Synagogue in the presence of the Chief Rabbi, organised by AJEX, the Jewish ex-servicemen association. A number of now elderly ex-serviceman, who had served in the British military forces in the Far East during the Second World War, joined us for this special service.

On October 18th, Mosaic Voices gave a special concert performance at The Wimbledon Synagogue in south London, bringing professional Jewish choral music at the highest level to a new and appreciative audience.

On the weekend of October 31st Mosaic Voices gave a concert in Stuttgart as part of the city's Jewish Cultural Season, which was largely aimed at non-Jewish audiences. It attracted a significant sixed audience of around 250 culturally curious and appreciative visitors, with

little previous knowledge or experience of the Jewish choral repertoire that the ensemble champions.

Mosaic Voices ended the year with a special Chanukah performance of songs at New West End Synagogue in the presence of various local dignitaries.

Work continued throughout the year on our major new project, *The Jews of Britain*, an ambitious and highly melodic, hour-long choral work, specially composed by Benjamin Till, who has been working with up to 50 academics and museum/library curators, unearthing snippets of text that tell the 1,000 year story of the British-Jewish community from their arrival in England in 1066, and subsequent expulsion, to their return in the 1650s, right through to the present day. The work is to be recorded by Mosaic Voices in 2027, accompanied by a string orchestra, string quartet, piano, percussionist and other instruments, as well as male and female soloists and well-known actors.

For the period of 2025, Mosaic Voices' Musical Director was Michael Etherton (also its Founder) and its Composer in Residence was Benjamin Till.
