1. Introduction from the Chairperson

Welcome to our annual report for [2025 - 2026].

This year has been an important year for ORPHANS IN GAMBIA. We have continued working towards our charitable objectives and supporting the vulnerable Gambian communities by trying to raise funds, however we have not achieved anything this year due to lack of funds.

We would like to thank our trustees, staff, volunteers, donors, supporters and partners for their continued commitment and support.

We look forward to building on this work in the coming year.
