Achievements and Performance

	SORP reference	

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We are steadily building our networks and partnerships with UKRET (Rare Epilepsies Together), Neurological Alliance, Rare Disease UK, Genetic Alliance, Gene People, Eurodis, and Beacon while raising awareness of Glut1DS throughout the wider community and medical field We have also been building on our connections with the Cross Party parliamentary Group members across the UK by highlighting our specific needs as a Rare Disease, through the UK Rare Diseases Framework and its commitment from all four health ministers across the UK to improve the lives of people affected by rare diseases; we hope to raise the profile of Glut1 Deficiency and the needs of our community. We virtually presented at the 3rd European Glut1DS Conference 2021 highlighting Glut1 Deficiency UK as a newly formed charity representing the UK and Ireland. We also virtually presented at The BPNA Annual Conference, January 2022, which proved a great opportunity to raise awareness of Glut1 Deficiency Syndrome and to work with the BPNA to support early diagnosis and understanding of children with neurological conditions and how to better support their families. We virtually attended: The Glut1 Deficiency Foundation Inaugural Scientific meeting & family conference 2021. Rare Summit 2021. Global Keto 2021. The International Rare Disease Showcase. We joined with our Global Glut1 Organisations and community by sharing and connecting through zoom meetings and social media platforms and worked together on organising the first International Glut1 Awareness Day 10th July 2021 which was a huge success. We raised awareness of Glut1DS throughout our Social Media Platforms for Rare Disease Day, International Epilepsy Day, Brain Awareness Week, Purple Day, National Epilepsy Week, World Brain Day, World Mental Health Day and National Epilepsy Week through our project's including Find Someone With Glut1 targeting the undiagnosed and misdiagnosed patients with Glut1DS.

Additional information (optional)
You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	
Performance of fundraising activities against objectives set	Para 1.41	
Investment performance against objectives	Para 1.41
