BLISWORTH BAPTIST CHURCH
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST DECEMBER 2025

The Trustees present their Annual Report with the financial statements of the Charity for the year ended 31st December 2025.

Structure, governance and management

Governance

The Charity is a Charitable Incorporated Organisation association, registered by the charity commissioners for England and Wales, registration number 1192810, registered 16th December 2020 amended on 29th July 2021

Constitution

Charitable Incorporated Organisation

Trustees

The Charity is governed by the Trustees' board currently made up of:

Mr L Hillyard (Pastor)
Mr B Ash (Elder)
Mrs M Barker (Deacon)
Mrs R Brown (Elder)
Mr A Maycock (Deacon)
Mr R Payne (Secretary)
Mrs A Puffett (Treasurer)

Objects

The principal purposes of the church are:
The advancement of the Christian faith according to the principles of the Baptist denomination

The church may also advance education and carry out other charitable purposes in the United Kingdom and/or other parts of the world

The Church is governed by a Constitution, which is an approved governing document by both the Baptist Union and the Charity Commission. Membership is open to all who profess repentance towards God and faith in our Lord Jesus Christ, and whose lives bear evidence of this Christian profession. Such persons should also assent to the church's Basis of Faith and Obligations of Membership, in accordance with the relevant sections of the Constitution.

Structure, Governance and Management (continued)

The Church is governed by a Constitution, which is an approved governing document by both the Baptist Union and the Charity Commission. Membership is open to all who profess repentance towards God and faith in our Lord Jesus Christ, and whose lives bear evidence of this Christian profession. Such persons should also assent to the church's Basis of Faith and Obligations of Membership, in accordance with the relevant sections of the Constitution.

Church Member Meetings normally take place four times per year, and the members have overall responsibility for the decision making and policies of the church. In accordance with the Constitution, the members appoint, from within their numbers, people to act as the Leaders of the Church (in roles labelled as Elders and Deacons) to work with the Pastor, Secretary and Treasurer (who are also all appointed by the Members) to be responsible for the day to day running of the church's work and witness, and the financial and legal aspects of the charity. All of these leaders are the Trustees. All members are encouraged to take an appropriate part in the spiritual and practical tasks involved in the furtherance of the charitable objective.

Relevant matters may be submitted to the Church Meeting by the Trustees for members' consideration and approval; and matters may equally be raised by members for the Trustees' consideration. Though the Constitution permits decisions to be made at Church Meetings by appropriate majorities, the Church seeks to work towards consensus wherever possible.

Since the enforced changes during the Covid Lockdowns, the governance and management of the Church during 2024 has continued to be delivered through different styles of meetings. The Trustees have continued to use technology (Zoom) in order to hold regular virtual meetings with each other and with members, with hybrid church meetings also offering the option to attend and participate via the internet, as well as in person.

Objectives and Activities

The principal purpose of the charity is the advancement of the Christian faith according to the principles of the Baptist denomination, to include the advancement of education, community service and such other general charitable purposes in parts of the United Kingdom and the world as the Church shall determine.

In order to achieve the principal objective, the Church provides a variety of activities both to its membership and to the community generally. The aim is to show the love of Jesus Christ in both word and deed and to bring people into a closer relationship with Him as living Lord.

Central to the work and witness of the Church is the provision of regular public services of Christian worship. These services take place each Sunday at 10.30 am in the Chapel, with a quarterly Cafe Church, which has a more informal approach, and takes place in the Leisure Hall. The Church seeks to be a friendly and welcoming community and anybody is free to attend any of these services.

Objectives and Activities (continued)

The Church has established 'Home Groups', whereby small, localised groups meet primarily in the homes of members, during the week, in order for fellowship, bible study, prayer and spiritual growth to take place. There are three groups, based in Blisworth, Northampton and Towcester, and they meet twice a month.

In February 2025, the church organised a 24-hour Day of Prayer followed by a Vision Day. Members of the Fellowship sought God's spiritual guidance on how he wished the church to develop and move forward. The discernment of the messages received has been used to formulate a Mission Plan, with a number of exciting new initiatives now being organised.

The Church opens on a Tuesday morning for a Community Cafe, within the Coffee House, to enable all members of the community to visit the church and share in social activity, and enjoy a delicious slice of home-made cake; and a Friday morning Toddlers' Group called 'Tea & Tots' also met during the first part of the year. In January, February and March the opening hours were extended into the afternoon to provide a warm environment for members of the public to use, as part of the National "Warm and Welcoming Space" initiative. The church participated in the community 'Scarecrow Festival' in May, which saw many people visit the church and enjoy refreshments and social interaction. In liaison with the Parish Council, the church is now hosting monthly meetings of the Youth Parish Council, which is aimed at giving the young people of Blisworth a voice. The number of young people involved increased as the year progressed.

The Church organises a cooked breakfast for Men of the community on the last Saturday of each month (with ladies invited to attend on a couple of occasions); and a range of other activities and social events were all scheduled to take place. An Advent Lunch was organised at the end of the year to which all households in the community were invited to attend. During the week, the church premises were used by a range of local community groups, who hired different rooms for activities (these included a Pottery Group and a Pilates Group).

The Church operates systems to ensure that all people working with children and vulnerable adults are appropriately vetted with regard to the Disclosure and Barring Service, and different levels of safeguarding training are in place as required.

Public Benefit

The Church has read the Charity Commission guidance on public benefit, and is satisfied that the activities outlined above clearly demonstrate that the charity is providing a benefit to the public.

Achievements and Performance

The Church does not measure the success of its programmes only in numbers, including financial numbers, but also in less tangible areas like fellowship, spiritual growth and encouragement. The Trustees recognise that these are difficult to measure, but believe that 2025 was a very positive year in the life of the church.

Achievements and Performance (continued)

The church felt truly blessed, as Lee Hillyard completed his third year as the Pastor, and continued to bring new energy, new ideas and creativity to the church. A pleasing level of continuity and stability was also retained, as Anne Puffett and Ray Payne were re-elected as Treasurer and Secretary respectively, and both Ruth Brown and Tony Maycock were re-elected as Trustees, at the A.G.M. in April. Mike White's term of office came to an end, and Maggie Barker was elected as a new Trustee.

There was one new member to the church during the year, but there were several new people who became regular attendees at Sunday Services. The church takes great pleasure in celebrating that during the year the average number attending Sunday services increased by 45%, and that four people have felt spiritually led to go through the waters of baptism in February 2026. Sadly, several members of the church fellowship have experienced ill health, which has resulted in their attendance being restricted or prevented altogether. The value of prayer and the pastoral support, provided by leaders and many of the members, has been greatly used during the year and provided much needed spiritual reassurance, practical help and healing. At the end of the year the official number of Church Members is thirty-five.

The church has continued to demonstrate a strong feeling of togetherness and mutual support, adaptability and great technical advancement. The life of the church has continued in abundance! The use of technology, and in particular Zoom, has continued to be used for a variety of different meetings. The use of the Coffee House, the Toddlers' Group and the use of the facilities by different community groups have all resulted in interaction and benefits for all those involved. However, the Trustees are fully aware of the age profile of the vast majority of its attendees and the need, as well as the challenges, as they seek engagement with the younger generations, for the future of the church. Liaison with the Parish Council has led to the creation of a Youth Parish Council, which holds monthly meetings in the buildings being led by members of the church.

The church buildings and the official formation of 'Blisworth Baptist Church' date from 1825. The Church celebrated its 200th Anniversary with a number of activities, historical research with a book published, and the highlight of a Thanksgiving Concert with Graham Kendrick, the internationally renowned Christian songwriter and worship leader, performing to a full church in September.

The church is heavily dependent on its membership and regular attendees working as volunteers, in all aspects of its activities, many of which run with little or no impact on the expenditure, but nevertheless contribute substantially to the achievement of the church's objectives. The Trustees wish to record their gratitude to the Pastor and all the volunteers for their hard work and commitment to the work of our church; and especially to everyone for the manner in which they have adapted and supported each other.

Financial Review

The church continues to raise the funds which it needs to carry on its activities from within its own membership and congregation. The increased generosity of the Church Fellowship has seen an increase in the amount of voluntary offerings and the level of Gift Aid that has been claimed. No wider public appeal was made for funds during the year.

Financial Review (continued)

The church had to use nearly £5,000 from reserve funds at the start of the year, in an urgent response to a ceiling collapse and water leak damage in the Chapel. The Chapel was closed for twelve weeks whilst repair and redecoration work took place. The overall costs were significantly reduced due to several members of the Fellowship carrying out all of the work voluntarily, most notably Terry Atkinson and Keith Barker. This proved to be a valuable reminder of the issues faced and the vulnerability of the two hundred year old buildings, and the importance of a reserve fund for emergencies. benefitted, during the year, from the successful application for a number of grants. A total of £2,209 has been received, and these restricted funds have all been spent improving the facilities and the experience for all those who attend the buildings, and helping towards the achievement of the church objectives.

Other than the building repairs and maintenance costs, the most significant expenses relate to remuneration payments made to the Pastor, payments to the cleaner and especially energy costs. The three year fixed energy deals that were secured during 2023 are nearly double the price that the church had been paying for the previous four years!

The church has continued to express its commitment to the wider church by making donations to local, national and international organisations and societies with Christian aims and objectives compatible with our own charitable purpose. Over ten per cent of our expenditure was made on Mission Payments to the Baptist Missionary Society, Home Mission, 'Open Doors' and charities such as Macmillan Cancer Care and the Hope Centre.

Despite changes and fresh challenges being faced in 2025, the church finds itself in a stable financial position. Prudent financial management has seen a healthy reserve maintained, and improved rates of interest have been received on our two Baptist Union savings accounts.

The financial results for the year, together with a summary of the accounting policies adopted are set out in the accompanying financial statements.

Reserves Policy

The Trustees have established a Reserves Policy to enable the church to function effectively and meet its obligations in the event of a decline in our income or a major cost. Having considered the relevant risks of changes in income and expenditure, the Trustees have determined that the appropriate level of reserves is in the range of £13,000 to £15,000. As at 31st December 2025, the church held total reserves of £26,483 of which £1,365 was restricted funds for Property Repair and Parish Council Grant Funding being carried forward; and £1,539 was designated funds for the Pastoral Support Fund.

The Trustees believe that the funds, surplus to our Reserves Policy figure, will be necessary in the coming months to support our increasing energy costs, any further significant property repair and maintenance costs, a potential increase in staff remuneration costs and supporting elements of the Church Mission Plan.

The Trustees declare that they have approved the Trustees' Report above.

Signed on behalf of the Charity's Trustees
