GIFT FOR HUMANITY
Independent Examiner's Report to the Trustees of GIFT FOR HUMANITY
For The Year Ended 31 March 2026

I report to the trustees on my examination of the accounts of GIFT FOR HUMANITY (the Trust) for the year ended 31 March 2026.

Responsibilities and Basis of Report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's Statement

Since the Trust's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of The Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and contents of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Structure, governance, and management

The trustees named above are all founder trustees as mentioned in the charity Trust Deed and have all served from the registration of the charity. The Trust deed of the charity governs appointment of trustees. All Trustees are volunteers. They manage the day to day running of the organisation. We make all consequential changes & decisions that ensure we remain compliant. This is an essential element of running a strong organisation ready to respond quickly to emergencies & critical crisis & disasters that require funding.

Objectives and activities

Objectives

The objective of the charity is, as outlined in Trust Deed of the charity, to further such purposes which may be charitable according to the law of England & Wales as the Trustees see fit.

The amount of work or number of projects that can be supported by the trustees is necessarily limited to the amount of funds that are available for distribution each year. The trustees and donors of GFH have determined that the current priorities for funding are:

The humanitarian needs of individuals or groups (whether locally, nationally or internationally) who have been caught up in natural disasters, emergencies, conflict etc.

The alleviation of poverty and relief from distress of certain groups in disadvantaged communities.

The advancement of education, the promotion of good health, the development of community cohesion etc.

The alleviation of poverty and relief from distress of certain individuals.
In all circumstances, grants made must be applied for purposes that are recognised as charitable under English law.

Gift for Humanity is based in the UK with the primary aim of helping the poor and needy worldwide.

We strictly operate a 100% donations - 0% deductions policy, so every penny of every donation goes to those who need it most.

Current Activities

We work in different parts of the world and our projects range from food, clothing distribution, education, construction, water projects, immunisation projects, orphan sponsorship and relief efforts when a disaster occurs. We invite our donors to get involved and bring generous donations to help relieve the suffering of those who are less fortunate than us. All our projects are carefully constructed and designed to be accessible effective and are done with due diligence. They are a combination of emergency support, short term relief and longer-term sustainable interventions.

Monthly regular ongoing projects

Continued Support with ongoing projects from previous years.

Bread - The economic impact of the humanitarian crisis around the globe has led to the inability to procure essential food supplies. The decline in food imports and currency depreciate is resulting in the continual rise of food prices. The mass population is unable to purchase even the cheapest staple grains. Gift for Humanity provides fresh Bread in Yemen and supports the Bread factory on a monthly basis. We also provide food to families on a daily basis in Peshawar, Pakistan.

Classified: RMG – Internal

Orphan sponsor - Of the many members of society, orphans are amongst the most vulnerable. This is particularly true in countries where there is little social support and where services are largely inadequate. GFH currently sponsors 52 orphans across the globe who receive help and support every month. An incredible achievement only made possible by our generous donors.

WaterAid - Provide clean water for a whole village or community with a hand water pump or well installation. Safe clean water prevents many medical conditions and provides a basic essential of life to many people. Projects in place currently worldwide. In 2025-26 we have increased our donations to help support the water projects worldwide.

Immunisation - Most of Africa's under-immunized children live in Nigeria, Ethiopia, the DRC, South Sudan, and Guinea. Poor people, those living in rural areas, and families with no access to the simplest immunisation protection. Gift for Humanity through UNICEF provides immunisation across Africa.

Achievements and performance in 2025-26

Achievements

2025–2026 was a year of significant achievements for Gift for Humanity. Thanks to the incredible generosity of our donors, we successfully raised **£202,139.64**, which was used across various projects throughout the year and helped thousands of needy and destitute people across the globe. Continued support from our donors will help make our foundation stronger for the future, allowing us to do even more in the years ahead.

Some of our key achievements included delivering life-saving support in Sudan, where we provided essential food and shelter to those in need. Our Shoes for Gaza project distributed winter footwear to hundreds of displaced children, bringing warmth and dignity during the colder months. In Syria, we carried out vital work to refurbish homes for displaced families, helping to rebuild safe, secure living spaces. We also provided emergency aid to earthquake victims in both Myanmar and Afghanistan, responding quickly to support communities in crisis. Additionally, we completed several water pump projects across various regions worldwide, ensuring communities had access to clean, safe water.

Sudan

We provided essential food supplies and shelter to communities facing ongoing crisis, helping thousands of people access life-saving support when they needed it most

Gaza – Shoes for Gaza Project

During the winter months, we launched our Shoes for Gaza project, distributing hundreds of pairs of warm footwear to displaced children across Gaza offering comfort, protection, and dignity through the cold season.

Syria

We carried out vital home refurbishment work for families living in displacement, creating safe, decent living spaces and helping communities rebuild their lives after years of hardship.

Myanmar Earthquake Response

When a devastating earthquake struck Myanmar, we acted quickly to deliver emergency aid and essential supplies to those displaced and affected by the disaster.

Afghanistan Earthquake Response

We provided urgent assistance — including food, shelter, and essential items to families impacted by the earthquake in Afghanistan.

Global Water Pump Projects

Access to clean water remains one of our key priorities. This year, we completed several water pump projects across different regions, bringing reliable, safe drinking water to communities that previously had limited or no access.

These are just some of the projects that we completed in 2025–2026

Ramadhan appeal, just like every year this year we also donated food packs across the globe worldwide.

These are just some of the projects that we completed in 2025-2026
