UK Charity for Triple Negative Breast Cancer

REVIEW OF 2025

The BIG numbers:

611	LinkedIn followers
283%	Increase in website hits
261	HCPs watched first on line webinar
64%	Increase in personal donations
47	People with TNBC joined PAP
45	**BCNS became TNBC Champions**
8	Key words in Top 3 Google search
£0	Cost of salaries and overheads

These BIG numbers demonstrate the significant progress in 2025 in almost all strategic areas, and confirm that there is an important place for a Charity dedicated to TNBC.

The website remains the most important resource with visits growing month on month and overall up nearly 3 times on 2024. With 8 'key words' in the top 3 in Google search, it is becoming the 'go to' source for reliable information about TNBC in the UK. The addition of the 18 most FAQs has greatly increased quick access to the information people need.

A commitment to greater marketing spend has not only created this growth but also contributed to increasing donations from private individuals by 64%, and reduced financial dependence on grants from pharmaceutical companies.

In 2025 we took our Breast Cancer Nurse Specialist education about TNBC 'on line' in partnership with the RCNi and 261 HCPs have watched it. In addition, 45 BCNS have
joined our Champions program to receive on going support.

2025 was also the year the Patient Advisory Panel became fully operational with 47 members. Their recommendation on treatment was accepted by NICE and a large consultancy for BioNTech was successfully completed.

All of this was achieved with zero spend on overhead costs or
salaries, so 100% of our income could be spent on improving the experience of people with TNBC.

I am hugely grateful for the Trustees and volunteers who freely
gave there time and considerable expertise that made this progress possible.
