SUCCESS OF LIFE INTERNATIONAL MINISTRIES UK

TRUSTEES REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

Charity Number: 1193 742

I present the Report for the Charity for the period to 31 December 2025

COVID-19/COST OF LIVING

The covid -19 pandemic presented a lot of challenges for us as a ministry as all face-to-face meetings were put on hold as we continued to pray for our nations for God's grace, love and mercy during this difficult period. 2025 was a better year as the impact of the pandemic was gradually fading out but we were faced with the cost-of-living crisis which impacted people's finances. As a church we made the decision to not take any donations and offerings but instead if congregants wanted to donate, we asked them to donate to local food banks and charities thereby serving our community better by the grace of God.

COMMUNITY PROJECTS

During the year, the Church did a lot of prayer support for the community, especially those who were affected by the cost-of-living crisis and high energy bills. We have helped people to better manage their finances and served as a signpost to directing people to the right organizations.

LOOKING FORWARD

We continue to pray for life to come back to normal so we can fulfil our commitments to the local community. We also intend to pursue more safeguarding projects within the local community.

JESUS IS LORD
