Achievements and Performance

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	SORP reference Para 1.20	Giving Hope to Turkey has worked through grants to Kurtuluş Kilisesi. Three couples and an individual have been released into full- time Christian work in Türkiye. Reports each month from these church leaders have shown the impact of their ability to follow the Lord's leading in their life. There have been many people who have come into a relationship with Jesus and form into Christian fellowships in different cities in Türkiye. People have been baptised and had their lives changed. The change in their lives has led to service in their communities and an improvement in the physical and spiritual wellbeing of others. The grant to Kayseri Kilisesi enabled laundry services to refugees to restart after damage to equipment. This had an impact on the wellbeing and dignity of people who live in temporary accommodation having fled conflict in their home countries. In addition Giving Hope to Turkey co-ordinates prayer support for 12 churches in Türkiye.
