   Registration number: 1193749

   RM11 1JG
   Trustee Names: Jessica Lam, Matt Dawe, Kim Motley
2) **Structure and details of how it is managed, including how it recruits trustees:**
   OWAY is managed by three trustees. We develop the feasibility structure of our aim to deliver educational opportunities to marginalised communities and are working on a plan to tackle this.
3) **Activities and objectives in the year**
   This past year was spent building the initial stages of what we believe will be a solution to the challenges around girl's learning by teaching maths first in a more efficient and effective way. We had a few different prototypes last few years that seemed to be difficult to produce, distribute and scale. We are still working on this current solution and this will seep into next year.
4) **Provide achievements and performance, including reporting on its public benefit**
   N/A – we are still developing the math prototype
5) **Provide a financial review including any debts and details of your reserves policy**
   None—we had no money in or out this year. Everything we did was entirely volunteer time.
6) **Describe details of any funds held as a custodian trustee**
   No funds, although we have a bank account with 325.49 GBP in it which has not been touched for a number of years.
