Objectives and activities

Objectives and aims

Our aim is to empower Latin youths to build a brighter future through a personal growth mindset journey via mentorship programmes and tailor-made events in collaboration with successful individuals from all walks of life.

We are a resource for young people
We run mentoring program, physical, educational and other activities
We help young people develop their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
We aim to advance education
We aim to relieve unemployment

We aim to provide recreational and leisure time activity in the interests of social welfare for people living in the area who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Volunteers

The charity is run by volunteers.

Financial review

The year ended with a net position of £Nil.

Reserves policy

The Trustees believes that unrestricted funds which have not been designated for a specific use should be maintained so that in the event of a significant drop in funding, they will be able to continue the charity's activities and aim to achieve reserve levels of three to six months of running costs.

Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.
