Ankoma Outreach

Annual Report for the year ended 31 December 2025

Registered Charity No. 1194562

1. Introduction

Ankoma Outreach is a registered charity (no. 1194562) working to support children and communities in rural Ghana, with a particular focus on the village of Ankoma. Our mission is to improve educational opportunities, provide healthcare support, develop community infrastructure and facilitate volunteering opportunities that empower local people and contribute to sustainable futures.

2. Objectives and Activities during 2025

During 2025, Ankoma Outreach continued to deliver its charitable objectives through:

- Improving educational opportunities through classroom renovations, learning resources, school support and community teacher salaries.
- Supporting healthcare initiatives, medical assistance and health-related needs within the local community.
- Contributing to sanitation and community infrastructure, including improvements to community toilet facilities.
- Supporting wider community development initiatives in response to local needs.
- Facilitating volunteering opportunities that encourage cultural exchange, practical support and skills-sharing.
- Raising funds and awareness to sustain our work and ensure the responsible use of charitable donations.

3. Key Achievements in 2025

- Continued investment in education through classroom improvements, teacher support and educational resources.
- Maintained support for children and students to access educational opportunities.
- Continued healthcare assistance for individuals and families in need.
- Supported sanitation improvements and community infrastructure to contribute towards healthier living conditions.
- Maintained our commitment to community-led development, working alongside local partners to identify and respond to needs.
- Continued fundraising and engagement with supporters, donors and volunteers in the UK and Ghana.

4. Volunteers and Partnerships

Volunteers and local partnerships remain central to the work of Ankoma Outreach. During 2025, the charity continued to promote volunteering opportunities that enable participants to contribute to community projects, share skills and develop a deeper understanding of life in rural Ghana.

We continued to work with local community representatives, educators and partners to support the delivery of projects and help ensure that our activities respond to local priorities. We remain committed to building relationships that encourage collaboration, respect and long-term sustainability.

5. Financial Review

During the year ended 31 December 2025, Ankoma Outreach received total incoming resources of £39,875.35 and incurred total expenditure of £42,598.04, resulting in a deficit of £2,722.69.

Income was generated through regular sponsorship, individual and corporate donations, fundraising activities and volunteer contributions. This included a £1,000 donation from Morrisons through its match-funding scheme.

Expenditure supported the charity's core activities in education, healthcare, sanitation, community development and volunteering. Education remained a key area of focus, including community teacher support and classroom renovation projects.

The trustees recognise the importance of careful financial management and continued fundraising to support the charity's activities. The financial position and available reserves will continue to be monitored to help ensure that commitments are managed responsibly and that funds are used in furtherance of the charity's objectives.

6. Risk Management

Key risks identified and monitored by the trustees include:

- Volunteer safety and welfare: ensuring appropriate preparation, guidance and local support for visiting volunteers.
- Project delivery and sustainability: working with local partners and communities to ensure that projects meet identified needs and provide lasting benefits.
- Funding volatility: maintaining fundraising activity and monitoring expenditure against available resources.
- Financial accountability: maintaining accurate records of income and expenditure, including funds transferred internationally for charitable activities.
- Reputational and regulatory risk: maintaining transparency, appropriate governance and compliance with relevant Charity Commission requirements.

7. Plans for 2026 and Beyond

The charity intends to continue building on its work through:

- Continuing classroom refurbishment and educational improvements in Ankoma.
- Sustaining support for community teachers and students at different stages of education.
- Developing healthcare and sanitation initiatives in response to local needs.
- Supporting community infrastructure and wider development projects.

- Expanding volunteering opportunities and strengthening relationships with schools and other partners.
- Developing fundraising, communications and supporter engagement to help sustain the charity's work.

8. Governance

Ankoma Outreach is governed by a board of trustees responsible for overseeing the charity's strategy, finances, activities and compliance with its charitable objectives. The trustees seek to ensure that charitable funds are managed responsibly and that activities are delivered in the best interests of the communities supported.

The charity continues to operate through the commitment of its trustees and volunteers, who give their time freely. No trustee remuneration is included in the financial information presented for this report.

9. Thank You

The trustees would like to thank all donors, corporate supporters, fundraisers, volunteers, schools and community partners who supported Ankoma Outreach during 2025.

Every contribution helps us continue working alongside the people of Ankoma to improve educational opportunities, support health and wellbeing, strengthen community infrastructure and create opportunities for children and families.

We are grateful to everyone who remains part of this journey and helps make our work possible.

Financial Statement — Year Ended 31 December 2025

The financial year ending 31 December 2025 saw continued delivery of Ankoma Outreach's charitable activities across education, healthcare, sanitation, community development and volunteering.

Total incoming resources for the year were £39,875.35, while total resources expended were £42,598.04, resulting in a deficit of £2,722.69.
