Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The relief of poverty in Coalville and surrounding villages by providing food and other essentials to people in need. The provision of information, advice, and referral services to help people in need to improve their economic and material circumstances.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	We continued to deliver our food bank service over 2025, with a lower demand on our services than in 2024. This was mainly due to us changing from a weekly service to twice monthly from July onwards. We continue to retain a core group of wonderful volunteers and work with a local business that donates fresh food to us every week. Their staff also volunteer with us. We continue to make a good income selling any excess fresh food through Too Good to Go, but this did drop off in the second half of the year as the amount of excess fresh food decreased. We moved premises towards the end of the year as we came to the end of our lease period. The new premises give us more space to operate in, including space indoors to serve clients, and heating!
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have followed the guidance from the Charity Commission on Public benefit.
