The Redeemed Christian Church of God Redemption Ground
Trustees' Report For The Year Ended 31 December 2025

The trustees present their report and the financial statements for the year ended 31 December 2025.

Objectives and Activities

Aims and Objectives

The principal aims and objectives of The Redeemed Christian Church of God Redemption Ground are to advance the Christian faith for the public benefit and to relieve poverty and hardship among people in need.

The charity achieves these objectives through Christian worship, prayer, teaching, counselling, evangelism and outreach activities, Christian training and retreats, and by providing practical support to individuals and families experiencing financial or other hardship. The charity also promotes spiritual development, family wellbeing and social inclusion within the local community.

Significant Activities

During the year, the charity continued to advance the Christian faith through regular worship services, prayer meetings, Bible teaching, counselling, evangelism and community outreach activities. The charity also organised Christian training programmes, conferences, seminars and retreats to support the spiritual development of members and volunteers.

In furtherance of its charitable objectives, the charity provided welfare support and gifts to individuals in need, supported other charitable and missionary organisations, and undertook outreach and publicity activities within the local community. The charity also continued to promote family and community wellbeing through activities designed to encourage participation, fellowship and social inclusion.

Public Benefit

The trustees have had due regard to the Charity Commission’s guidance on public benefit when planning and carrying out the charity’s activities. The charity provides public benefit through the advancement of the Christian faith, the relief of poverty and hardship, and the provision of spiritual, practical and community support.

The charity’s activities are open and accessible to members of the public and include worship services, prayer meetings, Christian teaching, counselling, outreach programmes, retreats, welfare support and assistance to individuals and families in need. Through these activities, the charity seeks to promote spiritual wellbeing, strengthen families and communities, and provide practical support to vulnerable and disadvantaged people.

The trustees confirm that they have complied with the requirements of Section 17 of the Charities Act 2011 to have due regard to the Charity Commission’s guidance on public benefit.

Financial Review

Financial Position

The charity remained in a sound financial position during the year. Total income for the year ended 31 December 2025 was £54,506, while total expenditure was £46,926, resulting in net income of £7,580 for the year.

At 31 December 2025, the charity had total net assets of £49,722, comprising tangible fixed assets of £5,412 and net current assets of £44,310. The charity’s funds were wholly unrestricted and amounted to £49,722 at the year end.

The trustees continue to monitor the charity’s income, expenditure and reserves carefully to ensure that sufficient resources are available to support its ongoing charitable activities and future commitments.

Reserves Policy

The trustees aim to maintain an appropriate level of unrestricted reserves to ensure that the charity can continue to meet its ongoing commitments and deliver its charitable activities in the event of unexpected reductions in income or increases in expenditure.

The level of reserves is reviewed periodically by the trustees, taking into account the charity’s planned activities, operating costs, financial commitments and future funding requirements. At 31 December 2025, the charity held unrestricted funds of £49,722.

The trustees consider the current level of reserves to be adequate to support the charity’s continuing operations and provide a reasonable financial cushion against unforeseen circumstances.
