Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

(1) to advance the Christian faith, including but not limited to, means of broadcasting Christian messages of an evangelistic and teaching nature using online platforms and holding religious services and prayer meetings in such parts of the United Kingdom or the world as the charity trustees may from time to time think fit;
(2) to promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our main activities

- We conduct Sunday Service meetings in London and Nottingham.
- We offer one-hour social session after each Sunday service for community members to meet up with and to communicate about their needs with our church members.
- We have Sunday youth gathering for secondary school students and Christian Sunday school for primary students.
- All our church services welcome both Christians and non-Christians.
- We have regular prayer meetings and leader trainings. We also offer prayers support via electronic means.
- We provide baptism services and training to new Christians.
- We conduct home visits to new immigrants or new church comers.
- We have family support groups to promote Christian faith and provide care to new community members.
- We held special events, such as Christmas, Chinese New Year and Easter celebrations, and Thanksgiving service, to promote social inclusion.
- To promote social inclusion, we invited local pastors to preach in our church Sunday services and youth gatherings.
- To connect with new immigrants, we invited them to our church activities via local social media groups.
- In addition, we organised a youth summer camp, community seaside outing and a mid-autumn neighborhood gathering during the year.

In deciding what activities the church should undertake during the year, the trustees have paid due regard to The Charity Commission's guidance on public benefit. The trustees consider that the objects for which the church was registered as a charity, and the activities during the year as described above, are for the public benefit.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Main Achievements

- We have relocated our Sunday service, previously conducted in a Derby's school, to Plessey Centre, a community centre located in Nottingham, to serve a wider community of new immigrants and further promote social inclusion. We organized a short-term missionary week in the summer, to reach out local community members, and to invite new families to join our church activities.
- Since we launched our South London Sunday service at a local school in Cheam in March 2024, we have been actively serving the community. This year, we commissioned the congregation to be independent from the church, to further advance the gospel.
- It was the second time we had conducted a Mid-Autumn Festival party in North London. We provided around 80 neighbors with a music performance and food to build a relationship with the community.
- We have started a monthly family worship practice. Our worship team traveled to different locations in London monthly, to visit and bless different families.
- We also started five new bible study groups on Sundays.
- We organized a special thanksgiving service at the new year eve, for church members and community members.
- We organized our young people to join the YWAM Neighbours and Nations youth summer camp this year, to promote local connection and spiritual maturity.
- Our Sunday services reached roughly 40 newcomers during the year.
- 100 adults, on average, attend our Sunday service in two locations.
- 30 secondary students attend our Sunday youth worship services.
- 30 primary students attend our children Sunday school.
- 4 people were baptised into Christian faith in our church baptism service this year.
- 50 people attended our summer church outing to Clacton-on-Sea.
- 50 people were recruited and trained as volunteers in our church.
- We offered one-week work experience to a local secondary student.
- To promote public interest in Christian knowledge, we recently upgraded our online Bible study materials and published them on our dedicated Bible website. We also launched two social media groups this year, for conducting deep searches on the Bible with AI agents.
