Young Emerging Leaders

Transforming nations... one millennial at a time

Charity Number: 1194886

Annual Report 2025

This year, YEL continued to pursue its mandate of empowering young leaders to occupy their strategic leadership space across the nations. 2025 was a year of reflection and foundation-building, as we took time to evaluate how we mentor so that we can serve young people better in the years ahead.

We held two major Instagram Live sessions, bringing leadership teaching to young people in the UK and around the world. The topics were:

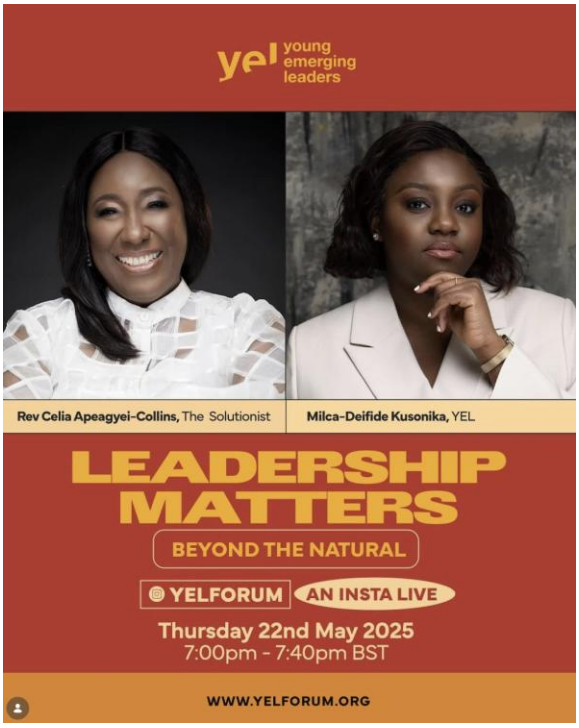

- The Technology-Enabled Leader, which explored the role of fast-paced technology in modern-day leadership.

- Leadership Matters, which examined the various facets of leadership for the young person, as it is currently presented in our world.

Alongside our teaching, we continued to hold one-to-one mentoring conversations with young leaders. We also used this time to evaluate our current mentoring model for candidates in the United Kingdom and internationally, so that what we offer remains relevant, effective and Christ-centred.

This year marked the beginning of our work on a new model of mentoring. What we learned from our mentoring conversations and sessions with young people has shaped the early stages of that work.

We remain on the lookout for suitable premises from which to host our training and leadership development sessions. In the meantime, we have continued to serve young people through online platforms.

In the coming year, we look forward to reaching more young people across the world with a solid, well-structured programme. Our aim is a lasting outcome: more Christ-centred leaders equipped to serve our societies at large.
