Para 1.17 and 1.19	**As with previous years, the charity has continued to provide support to local families and individuals. This support has been almost exclusively in the form of distribution of free food, collected from supermarkets in the area, by the team of volunteers.**

Other		**The trustees would also like to 'put on record' their thanks to the various supermarkets that kindly donate surplus food, which the charity distributes throughout the community (see below). In particular, the trustees would like to thank the following stores:** ● **Aldi, Barnoldswick** ● **Co-op, Barnoldswick and Earby** ● **Marks & Spencer, Skipton** ● **Morrisons, Skipton** ● **Lidl, Colne**

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	**This financial year, Share the Care has continued to grow. One additional supermarket has been added to the existing ones, from which regular collections have been made. We have had to cease collections from one supermarket due to the travel distances involved. The distribution of this surplus food (that would otherwise be thrown away) to the needy in the local community - and even further afield on occasions, has been carried out by our ever-growing team of volunteers.** **It has continued to develop very close working relationships with several other charitable organisations to enable the large amounts of food to be distributed in an efficient manner. Examples of some of these organisations are:** ● **Skipton Food Bank** ● **St. Bartholomew's Food Bank, Colne** ● **Open Door, Colne** ● **Schools in the area operating their own Food Banks** ● **Various NHS facilities** **At the same time, the charity continues to directly support many individuals and families in the community. These recipients that come to the attention of the volunteers from time to time are supplied with food - direct to their door in many cases.**

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	**The charity has undertaken limited fundraising. These funds have enabled the charity to continue to offer our volunteers the chance to be reimbursed for the ever-increasing cost of fuel used in their own vehicles whilst collecting and distributing food.** **Without this influx of funds, the charity would not have been able to reimburse fuel costs and many of our volunteers would therefore be unable to afford to cover the additional motoring costs associated with the collection and distribution.** **The charity held a total of £240 in funds as at the end of the period being reported - see submitted accounts for more details.** **We continue to apply for grants from time to time in order to be able to reimburse our volunteers for their transport costs involved in collecting and distributing food.**
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	**No cash (or otherwise) reserves are held. Whatever funds are available are held as 'petty cash' and within the charity's bank account.**
Amount of reserves held	Para 1.22	**Nil.**
Reasons for holding zero reserves	Para 1.22	**The operations of the charity do not require funds. However, it has become necessary for the charity to offer volunteers the ability to be reimbursed for fuel costs. All the people involved with the running of the charity are volunteers. None of the people involved with the charity receive any funds apart from being reimbursed for fuel costs.** **No salaries are paid to any individual within the organisation.** **Hence, the charity does not need, nor expect, to carry reserves.**
Details of fund materially in deficit	Para 1.24	**N/A**
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	**None - the charity expects to continue in the future and as such is very much as a 'going concern'.**
